Wisconsin GOP Legislators Seek June 23 Recess

Lawmakers Would Complete Unfinished Business in October

MADISON, Wis. (AP)—Republican legislative leaders have decided they will try to recess the 1955 legislative session by June 23 and return some time in October to complete unfinished business.

The decision to wind up the legislative business came at a conference Monday night of three Assembly and two Senate GOP leaders.

Since the Republicans control both houses their plan will probably go through.

Assembly Speaker Mark Catlin Jr. (R-Appleton) said that the recess program will be submitted today to GOP caucuses of both houses with recommendation that "must" legislation be brought up for floor action within the next few days.

In order to meet the planned schedule, the conference of GOP leaders decided that the Legislature would work from Monday through Saturday, with morning and afternoon sessions. It also was decided that there would be no hearings scheduled after next week. A steering committee of seven Republicans was named at the conference to pick the important legislation that has to be acted on before the recess.

Members of the committee will be Assemblymen Catlin, Lessel-yong (R-Fond du Lac), Marotz (R-Shawano) and Ludvigsen (R-Hartland) and Senators Panzer (R-Oakfield), Rogan (R-Ladysmith) and Porter (R-Bloomington).

Important issues still before the Legislature are: The amount of income tax surtax that must be adopted to meet an anticipated deficit for the next two years; whether to approve a one-cent state cigarette tax increase; whether to increase the state traffic patrol from 75 to 340 men; whether to adopt a two-cent motor fuel tax boost, and whether to integrate the University of Wisconsin and the state's colleges under one board of regents.

Marines Clear Corporal Who Fell Overboard

MOUNTAIN IRON, Minn. (AP)—The Marine Corps has removed a mark of desertion from the record of Cpl. Steve Sutich, 23, Mountain Iron, Minn., and instead is listing Sutich, missing about a year and a half, as a victim of a fall overboard from a troopship.

Mr. and Mrs. Dan. Sutich, parents of the missing Marine, received a letter today from Gen. Lemuel C. Shepherd Jr., U.S. Marine Corps commandant, Washington, stating Sutich's record was being cleared of a desertion charge.

Shepherd said that after an 18 months investigation, it is evident that at some time between 4 a.m. on Nov. 22, 1953 and the time the ship docked at Treasure Island Naval Station, San Francisco at about 9 a.m., "Steve Sutich either accidentally fell or stumbled overboard."

Sutich failed to answer a muster called after troops disembarked. At the time the desertion charge was placed, the Marines said such status would enable FBI and other government agencies to enter the hunt for him.

Shepherd told the Sutich family that the mark of desertion has been removed from the corporal's record and that a notation has been added that the charge was entered erroneously.

Sutich received the Purple Heart in Korean fighting and other decorations for meritorious service. He took part in some of the heaviest fighting in Korea including battles for Vegas Hill and Old Baldy.

Sutich, a member of the Marine Rangers, led a patrol of eight men behind Red lines and was one of only three who returned alive. Despite his own wounds, he dragged two wounded buddies back to safety.

The Sutiches have three other sons, Joseph, Nick and John, all veterans of World War II, and a daughter, Catherine.

Bird Found Off Japan Started in Washington

SENDAI, Japan (AP)—To the U.S. Fish and Wildlife Service, Washington:

You are hereby notified that flabbergasted Japanese fishermen found a metal ring on the leg of a big gull-like bird captured in the Pacific about 50 miles off Japan over the weekend.

The ring bore the inscription "Notify Fish & Wildlife Service, Washington, D.C." Prof. Masakichi Hatanaka of Tohoku University said he never had heard of a bird flying all the way from the United States.

GRADUATES ATTENTION: You Can Make the Front Pages Tomorrow, But Don't

Commencement exercises were held at the Nevis, Minn., high school about two weeks ago and the following day the graduation at the small school figured in news stories on front pages of newspapers throughout the northwest.

The stories told little about who spoke or sang or received honors at the program, however; they were concerned primarily with details of an automobile accident in which two teen-agers were killed and 12 others injured on their return from a pre-commencement picnic.

Tonight the Winona Senior High School observes its 85th annual commencement. Tomorrow seniors at Cotter High School will be graduated.

There'll be some parties after the graduation exercises. Traffic authorities are hoping that none of these parties will figure in tomorrow's or Thursday's high school graduation stories.

Adlai E. Stevenson, Democratic presidential candidate in 1952, was the speaker at the 77th commencement of Smith College at Northampton, Mass., Monday. With him are Janice P. Carlson, of Minneapolis, Minn., left, president of the graduating class, and Sallie M. McFague of Milton, Mass., president of Smith's Student Council. (AP Wirephoto)

Midnight GM Strike Deadline Extended

DETROIT (AP)—The CIO United Auto Workers Union today was reported to have agreed to extend its General Motors contract from midnight tonight to midnight Sunday.

DETROIT (AP)—The CIO United Auto Workers today extended its contract with General Motors Corp. until Sunday midnight and at the same time indicated that the company and union are not far apart on a new contract.

John W. Livingston, UAW vice president and the union's General Motors director, formally announced the extension. In doing so, he said:

5-Year-Old Can't Remember What Killed Family

CADOTT, Wis. (AP)—"I just don't know what happened, Grandma."

That statement, repeated over and over again by 5-year-old Michael Warner, thwarted the efforts of Mrs. Harold Refsland to pierce the veil of mystery surrounding the deaths of Michael's parents and infant brother.

Mrs. Refsland, maternal grandmother of Michael, came here Monday from her home at Renville, Minn., to aid authorities in the investigation of the death of Albert Warner, 48; Mrs. Warner, 30; and their 5-month-old son, Sidney. The bodies were discovered in adjoining beds in their small home near here Friday night by a relative, Mrs. Julia Warner.

Michael and his 2-year-old sister, Charis, were the only survivors of the tragedy. They were unconscious when found but have since passed the critical stage. Authorities attempted to question Michael but he seemed frightened and could tell them nothing.

An autopsy performed by Dr. A. J. Venable, Wausau pathologist, has failed to reveal how the trio died, but Dr. Earl A. Halliday, county coroner, said after a preliminary examination that he believed it was possible that Warner had beaten his wife to death and then turned on gas from a cooking stove. Sheriff Clifford Dorr said Mrs. Warner suffered from a form of epileptic seizures and had bruises and abrasions on her face, neck and chest.

Dist. Atty. Eugene Jackson said he, too, was baffled. An examination of body tissues has shown nothing of a specific nature to indicate the cause of death, he said, but additional samples of food and liquid taken from the home have been sent to the state crime laboratory at Madison.

A six-man coroner's jury was impaneled Monday as the first step toward an inquest but adjourned upon call of the coroner. Mrs. Refsland has requested that she be given custody of the surviving children.

Stevenson to Speak At Fund-Raising Dinner

CHICAGO (AP)—Adlai E. Stevenson, 1952 Democratic presidential nominee, and Gov. Frank G. Clement of Tennessee will be principal speakers tonight at a \$100-a-plate Democratic fund-raising dinner.

Between 1,500 and 2,000 Democrats are expected to attend. The funds obtained are being raised for the recent mayoralty campaign. Winner in the election was Mayor Richard J. Daley, a Democrat. Daley served as state director of revenue during Stevenson's term as governor of Illinois, 1948-52.

British Rail Strikers Accept Peace Formula

Firemen, Engineers' Approval Opens Way For Direct Negotiating

LONDON (AP)—Striking locomotive engineers and firemen today accepted a peace formula aimed at settling Britain's 10-day-old railway walkout.

The acceptance by the Associated Society of Locomotive Engineers and Firemen opened the way to possible direct negotiations with the British Transport Commission, which runs the nationalized railway system.

Leaders of the powerful Trades Union Congress, meantime, were conferring with Labor Minister Sir Walter Monckton in an effort to get government approval for the final peace talks even while the strike is still on.

Prime Minister Eden's government and the Transport Commission have insisted up until now that the 67,000 strikers must return to work before talks to break the deadlock over wage differentials could begin.

The rival 400,000 strong National Union of Railwaymen, which opposes the strike, still has to make its views known on the five-point peace plan.

The peace proposals were hammered out Monday night by the general council of the TUC in an attempt to solve the wage dispute which brought four-fifths of Britain's train crews out on strike and reconcile the claims of the striking and nonstriking unions.

Meanwhile, the state-owned British Railways reported 6,943 passenger and freight trains were operated Monday over the national networks. Normally, 40,000 trains run daily.

Stalemates continued in two other walkouts shaking the nation's economy. With the rail strike, they formed Britain's most serious labor crisis since the general strike of 1926.

Marine stewards in Liverpool and Southampton threatened to widen a wildcat strike which has idled six liners, stranding 2,500 America-bound passengers in British ports. The Cunard Lines canceled round-trip voyages of three of the vessels, ruining vacation schedules of thousands of dollar-spending tourists waiting passage to Europe in the United States and Canada.

On the third strike front, leaders of 20,000 stevedores whose 17-day stoppage has piled up cargoes in seven ports said they saw no prospect of an early return to work.

The rail peace plan turned over to officials of three unions this morning would require ground giving by all parties, including Prime Minister Eden.

Senate Group OKs Bill for \$1 Minimum Wage

WASHINGTON (AP)—The Senate Labor Committee today overwhelmingly approved a bill to raise the 75-cent hourly minimum wage to \$1.

More than two million workers would get automatic wage increases if the bill becomes law, it was estimated.

The committee headed by Sen. Hill (D-Ala.) rejected a motion by Sen. Ives (D-N.Y.) to raise the nationwide wage floor to \$1.25. A second motion by Sen. Allott (R-Colo.) to peg it at 90 cents an hour, the figure recommended by President Eisenhower, also was defeated.

The \$1 figure was proposed by Sen. Douglas (D-Ill.), subcommittee chairman, last week.

Hill said Senate Democratic Leader Lyndon Johnson of Texas hoped to bring the measure to the Senate Wednesday far almost certain passage.

Boy, 7, Suffers Severe Burns in Rescuing Brother

ST. LOUIS (AP)—Arthur Robinson Jr., 7, suffered severe burns yesterday while rescuing his 2-month-old brother from a flash fire that destroyed their trailer home in suburban Chesterfield, Mo.

"Hazel Ann, his 9-year-old sister, died in the flames. Arthur suffered first and second degree burns of the face, arms and legs. Mrs. Arthur J. Robinson, 37, said she was cooking on a bottle-gas stove when flames swept through the trailer "like lightning." She and the boy rushed outside screaming but Arthur returned quickly and got the baby from the sofa.

"I went in too," Mrs. Robinson said. "But I couldn't get to Hazel because of the flames. She was in the back bedroom and probably wasn't able to get the door open."

Texas Firm Gets Busy Signal, Asks Damages

HOUSTON (AP)—A Houston firm, claiming its six telephone lines were tied up all day, obtained a temporary restraining order against a nationwide credit clothing firm.

A petition filed yesterday by Horton & Horton, shell and sand dealer, alleged representatives of Lane's credit clothing tied up the six telephone lines while trying to collect a debt from one of the Horton firm's employees.

Horton seeks a permanent injunction to prohibit "harassment" and damages totaling \$15,000 for business lost May 31.

Airman Convicted Of Stealing Plaque From Pike's Peak

DENVER (AP)—An airman from Kansas City has been convicted of stealing a plaque and a time capsule from atop Pike's Peak.

The plaque, unveiled last September, commemorates the first flight of an airplane with a turbo-jet supercharger. The time capsule, containing messages to future generations, was to be opened in 2053.

A federal court jury yesterday convicted Edward James Wenski Jr. of swiping the items. Wenski said he pried out the plaque and the capsule beneath it for souvenirs.

Sentence was deferred pending hearing of a new trial motion. The offense carries a maximum penalty of 10 years imprisonment and \$10,000 in fines.

Canadian Air Weapons Chief Relieved of Job

OTTAWA (AP)—Canada's air weapons chief has been relieved of his job for what the government considers "highly inappropriate" statements. He said another world war appeared inevitable and the West could "beat the pants off" the Russians.

The remarks were made by Air Vice Marshal J. L. Plant, chief of the Royal Canadian Air Force Technical Services, in a speech last Thursday to a meeting of the Aviation Writers Assn. in Toronto.

Defense Minister Ralph Campney told Parliament yesterday that Plant has been removed from his job and named head of the RCA's Air Materiel Command. The minister said this would remove him from any association with policy matters.

Campney and Prime Minister Louis St. Laurent also announced that steps have been taken to prevent armed service officers from making similar public statements. They said instructions governing public statements will be issued to the three services.

St. Laurent described Plant's speech as "most unfortunate."

Senate Moves For Showdown On Housing Bill

WASHINGTON (AP)—The Senate drove today for a fast showdown on a controversial multibillion-dollar housing bill.

Its main feature would authorize another four billion dollars of FHA mortgage insurance—enough to last a year at the present rate.

Its most disputed section, as approved by the Senate Banking Committee, calls for a vast Democratic-proposed program of public housing. It would authorize construction of 135,000 units of low-rental dwelling space for the needy each year for four years—\$40,000 units in all.

The Eisenhower administration had asked only for 35,000 units a year for two years, and Sen. Capehart (R-Ind.) announced he will wage a fight to cut the bill back to that level.

Capehart predicted the decision will be close, perhaps by less than half a dozen votes, and he said he expects to win. The Senate agreed yesterday to debate limits on the bill likely to bring final action by nightfall. The House has not acted.

Another section calls for the building of 10,000 special-design public housing units for aged residents. There was no advance sign of a fight over that one.

Another huge item would authorize a \$1,350,000,000 military housing program, to provide dwelling quarters for married members of the armed forces.

Water's Too Deep, Boy, 9, Drowns

MANITOWOC, Wis. (AP)—Nine-year-old Gerald Slater drowned in English Lake Monday because he was shorter than his older sister. He and his sisters, Judith, 12, and Joan, 10, managed to reach a raft about 50 feet from shore where the water was not much above Judith's head. She couldn't swim much, but had waded until nearly to the raft and then thrashed her way the few remaining feet. Joan had taken a few swimming lessons and paddled and floated to the raft. Gerald used an inflated inner tube because he couldn't swim.

Joan used the inner tube to reach shore. Judith jumped into the lake and once on the bottom she took a few steps until she surfaced and was able to walk to the shore.

Gerald tried to imitate Judith by jumping into the lake but the water was deeper for him and he drowned.

Traffic Ticket Boxes No Good for Mailing

LOGAN, Utah (AP)—Police are asking people to mail letters in the mail boxes, and not the receptacles for traffic tickets. Every day letters are deposited in boxes set up on main street for people to leave traffic tickets with money to pay the customary fine.

Cautions U.S.: Not to Expect Great Miracles

President Speaks At West Point Graduating Services

By MARVIN L. ARROWSMITH
WEST POINT, N. Y. (AP)—President Eisenhower called today for "a prudent guard against fatuous expectations—that a world, sick with ignorance, mutual fears and hates, can be cured" at the proposed Big Four conference.

The conference will be "only a beginning in a renewed effort that may last a generation" before enduring peace finally is won, he said in an address prepared for delivery at the U.S. Military Academy commencement exercises.

Speaking less than 24 hours after the United States, Great Britain and France formally proposed to Russia that the Big Four meet at Geneva, Switzerland, for four days starting July 18, Eisenhower said of the struggle to iron out differences:

"It is a task that may result in a long series of conferences."

Need Wisdom, Caution

He said that although Western strength inspires confidence, "we likewise have need for wisdom and the caution that wisdom enforces—at the conference table itself, in the halls of government, in every place of business and in every home in America." He added:

"By caution, I mean: A prudent guard against fatuous expectations that a world, sick with ignorance, mutual fears, and hates, can be cured at a single meeting. I mean a stern determination that we shall not be reckless and witless, relaxing our posture merely because a persistent foe may assume a smiling face and soft voice."

"By wisdom, I mean: A calm awareness that strength at home, strength in allies, strength in moral position, arm us, in impregnable fashion, to meet every vile and stratagem that may be used against us."

The President's effort to guard against the building of great expectations that an "at-the-summit" meeting will solve everything was in line with views he has expressed several times.

World's Last Chance

His remarks recalled, however, that Vice President Nixon said in a Chicago speech last week that the Big Four conference "could be the world's last chance to settle differences peacefully and avoid a catastrophic war."

The tremendous importance Nixon attached to the meeting was a sharp contrast to the crossed-fingers attitude of the President and Secretary of State Dulles.

Wisconsin Man Admits Killing Wife in Quarrel

ELKHORN, Wis. (AP)—A 29-year-old father who tried to take his own life after the death of his wife has admitted that he strangled her, Walworth County Sheriff John W. Cusack said today.

A second degree murder warrant was issued against Virgil Lins of Darien in the death last Thursday of his wife, Juliana, 33-year-old country school teacher. Cusack said Lins made his admission Monday night as authorities were preparing to seek a mental examination for him.

The sheriff related that Lins, who worked at Beloit, said he choked his wife in bed after a quarrel. Lins said he didn't realize she was dead until he awoke the next morning. He summoned authorities.

Lins, described by the sheriff as a seemingly pretty decent fellow, then tried to kill himself by slashing his wrists.

Menace on Land, Sea Loses License

DETROIT (AP)—Termed a "menace on land or sea," Louis Morabito was ordered not to pilot a boat for the next four months. He was convicted of reckless driving on the Detroit River.

Morabito already has had his automobile driver's permit revoked.

"And don't take up flying," Traffic Judge George T. Murphy cautioned Morabito.

Russia Receives Formal Bid to Big Four Meet

WASHINGTON (AP)—Russia yesterday received a formal invitation to a top-level Big Four meeting at Geneva, Switzerland, to start July 18. The United States, Britain and France suggested four days of talks.

The Western invitation, delivered in Moscow, came as no surprise. The suggested place and date came out over the weekend.

In their note, made public here, the Western Powers referred to "divergent views" on the proposed meeting place. They recalled that Russia had suggested Vienna while they had wanted the talks to be held in Lausanne, Switzerland.

Proposing Geneva as a compromise site, they spoke of that city's "excellent facilities" and said the Swiss government is in accord with the idea. They asked an early reply so arrangements can be made.

There was no immediate Russian reaction, but the Soviet news agency Tass said early today Secretary of State Dulles was "still talking from a policy of strength and periling the prospects of Big Four summit talks."

Steelworkers Push Wage Talks With U.S. Steel

PITTSBURGH (AP)—President David J. McDonald of the CIO United Steelworkers leads union negotiators today into the opening round of 1955 wage talks with the booming basic steel industry.

U.S. Steel Corp., No. 1 producer in the nation, was the initial bargaining target in a closed session. Five other big producers stood by waiting to hear the union's demands.

The first round of negotiations is expected to last several days, with the union presenting its proposals to each firm separately and the companies studying them before getting down to bed-rock bargaining.

With the steel industry operating near capacity and enjoying healthy profits, observers consider it a foregone conclusion that the big union will get a wage increase. The question is: How much?

Guesses range from 10 to 25 cents an hour. Steelworkers now average \$2.33. The union has not made its demands known.

Bracketed with U.S. Steel in this year's talks are Bethlehem, Republic, Jones & Laughlin, Youngstown Sheet & Tube and Inland. The six employ more than 400,000 of the 600,000 USW members in basic steel.

Under a two-year contract signed last year, current bargaining is limited to present wage rates. The guaranteed annual wage will play no part in these talks.

Yale Club Fined For Running Raffle

SIMSBURY, Conn. (AP)—A town justice fined a Yale alumni club \$50 last night for running a raffle and said its members should have known better than to break the law.

The raffle was held at a scholarship fund-raising outing here last month, and the winner of a new car was returned Connecticut Supreme Court Justice William M. Malbie—who 17 years ago upheld a state law banning raffles.

Trial Justice Francis J. Gallagher fined the Yale Club of Hartford after its officers pleaded no contest. Gallagher said he wasn't highly in favor of the law but:

"Volunteer fire companies and church groups had to give up using lotteries because of this law. Now we have a well-educated group of men. . . . Undoubtedly many of them realized that this was a violation of the law. It's on the books and has to be enforced."

Malbie, who bought a ticket but didn't attend the outing, had said he was embarrassed by winning the automobile and that he was going to sell it, turning the money over to the Yale alumni fund.

Malbie said he did not understand the tickets he bought had anything to do with a raffle.

Court Takes Detour In Security Case

By JAMES MARLOW
Associated Press News Analyst

WASHINGTON (AP)—Is it constitutionally right and fair for the government to fire a federal employee as a security risk without letting him confront his accuser or even know who he is?

The Supreme Court had a chance to give a final answer yesterday. But it took a detour. Someday it may face the question again.

Meanwhile, the government can continue using secret informants in security cases. Critics have condemned this practice. They argue a man whose job and future are at stake should be allowed to face and cross-examine his accuser. But the Justice Department says secret informants are sometimes necessary for national security.

Under both Presidents Truman and Eisenhower government officials have been free, whenever they wished, to fire a man on the basis of testimony from witnesses the man might never be allowed to see or know.

In May 1953 Dr. John P. Peters, senior professor of medicine at Yale University, was fired as a part-time consultant to the U. S. Public Health Service. He had denied he was a Communist and officials of his own agency had previously cleared him.

The Loyalty Review Board reopened his case and decided he ought to be out of the government on grounds of questionable loyalty. But even the review board didn't know who some of his accusers were.

He appealed to the federal courts, raising the question of constitutionality in the use of secret witnesses. Yesterday the high court said it wouldn't give a ruling on a constitutional question, including Peters', unless it had to. It found another point on which to decide Peters' case.

It said the Loyalty Review Board had no right to dig into his case after officials in his own agency had cleared him.

Austrian Leaders Divided on Size, Kind of Army Needs

By RICHARD O'REGAN

VIENNA, Austria (AP)—Austrian leaders are divided over how large and what sort of army their country will need when troops of the Big Four pull out this year.

Austria intends to declare its military neutrality as soon as its independence treaty, already signed by the United States, Britain, France and Russia, becomes effective.

To protect it from aggression, should this nation have a large force of nonprofessional militiamen

Superintendent Who Caused School Strike Rehired

IRVING, Tex. (AP)—The school superintendent whose dismissal by the Board of Education brought on a months-long town feud and caused a teacher strike was back on the job today.

So were most of the teachers who were fired by the board for striking.

John T. Andrews, president of the Irving School Board, announced last night at an open meeting that Dr. John L. Beard had asked to be rehired as superintendent "and we rehired him."

Last Feb. 16 Beard's firing resulted in a walkout of most of the Irving educational system's personnel in its seven schools.

Friends of Beard petitioned for a school election to abolish the school district. It was dissolved and a new school board, mostly pro-Beard, was elected when a new school district was formed.

The new board had voted to pay Beard \$2,100 in back salary and his old \$9,000-a-year pay.

Communism's Differences Show Up in Lingerie

By EDDY GILMORE
BELGRADE, Yugoslavia (AP)—One of the biggest differences between T. T. to Communism and Khrushchev's brand is reflected in state-produced panties for ladies.

In Russia, the first country in modern times to nationalize bloomers, they are long in the leg, elastic at top and bottom and coming in only two colors—blue and purple.

But here panties are on sale in many styles, and in colors as varied as the rainbow—green, yellow, pink, black and flesh shades.

Girdles and garter belts are as hard to find in Red Russia as millionaire bankers, but here they're as common as plums.

Russian slips, which are short, most always made of cotton and with no more styling than a stove pipe, are plentiful. Because the Soviets don't make nightgowns, slips are often worn instead of gowns.

Lack of familiarity with flimsy nightgowns once led to a major social blunder in the U.S.S.R.

Three wives of generals, whose husbands had liberated an armful of nighties in Berlin, wore them to a Red army reception thinking they were evening dresses.

In all of Russia there are few, if any, factories manufacturing bathing suits.

In Yugoslavia girls can buy them. Some are as dainty as a delicate cloud in a high summer sky, but vastly smaller.

"You should see my Bikini," said a Zagreb actress. "A girl friend mailed it to me in a regular sized envelope."

When it comes to bras, however, Russia comes out ahead.

This article of feminine underwear is as common as samovars and one of the really cheap things in Soviet land, costing less than a dollar.

An American visitor to Moscow once said: "The women of this country either have the best bras or the best chests in the world."

Things haven't developed that far in Yugoslavia.

like Switzerland or an elite standing army of maybe 20,000 to 30,000? The two government coalition parties are split on the matter. They hope for some compromise when the issue comes up in a month or so in the Austrian Parliament.

The minority Socialist party reportedly favors calling up 150,000 to 180,000 men each year for training under a comparatively few professional officers.

The larger People's party, headed by Chancellor Julius Raab, reportedly favors an elite of about 20,000 to 30,000 men, supplemented by a limited number of draftees each year. Neither party has a majority in Parliament.

Both parties are agreed on two things: There should be universal military training, and an army is absolutely necessary. Austria is strategically located at the historic Danube River crossroads of Europe. She needs protection against aggression from any of her six neighbors, three of them Communist.

Washington (AP)—Secretary of Defense Wilson, leaving the door open to new moves to step up warplane production, says the Pentagon is "taking a very good look at everything we are doing."

Asked at a news conference yesterday whether the Air Force has recommended a speedup in production of any planes other than its most potent heavy bomber, the B52, Wilson replied: "Not yet."

Asked specifically about the F100 Super Sabre Jet fighter, Wilson parried the question by saying he didn't want to generate "too much pressure" about that matter.

As for the "good look" he said the Pentagon is taking at its plans, he said he has ordered a twice-a-year review of all aircraft production schedules.

Council Awards Contracts Totaling \$31,700 on 7 Jobs

Gasoline, Fuel
Oil, Coal Bought
By Aldermen

In seven bid openings Monday night at City Hall, the City Council awarded contracts totaling about \$31,700. There was divided opinion about award of two contracts.

The details:
The Shell Oil Co., which has the city's gasoline contracts, the present time won the contracts again. On airport gasoline, it was the low bidder for 80-octane gasoline (estimated quantity needed: 15,000) but it was slightly higher for the 91-octane gasoline (estimated quantity needed: 30,000). Its total dollar bid, based on the current transport price, was \$3,740 for 80 octane and \$7,780 for 91 octane, for a grand total of \$11,520, which was low for the two gasolines together.

The bids (posted transport price less state and federal taxes): Shell Oil, 24936 cents on 80 octane and 25336 on 91 octane; Socony Mobil Oil Co., Inc., Wadham's Division, 25414 on 80 octane and 25909 on 91 octane. Socony's grand total was \$11,584.80.

Gasoline for Vehicles
The Council took alternate bids on regular and premium gasoline for use by all city boards and departments, but after opening the bids voted to sign a contract for regular gasoline on recommendation of Street Commissioner Thomas Gile. Total offer, based on estimated use of 20,000 gallons, was \$3,550, regular, \$4,000, premium.

The bids (posted transport price less federal tax and discount): Shell Oil, 20 cents on premium and .1775 cents on regular; Socony Mobil Oil Co., 19454 on premium and .18464 on regular; Standard Oil Co., 19749 on premium and .18248 on regular; Skelly Oil Co., 198 on premium and .186 on regular, and Webb Oil Co., 2035 on premium and .191 on regular.

Shell rates its premium at 95 octane, its regular at 86.5.

Western Coal & Supply Co. won the contract to furnish about 7,500 gallons of No. 3 fuel oil and about 2,500 gallons of No. 1 fuel oil for use in city buildings for heating. Total cost: About \$1,350.

The bids (based on posted consumer price, less discount): Western, 132 on No. 3 and 144 on No. 1; Standard Oil Co., 135 on No. 3 and 145 on No. 1; Webb Oil Co., 138 on No. 3 and 145 on No. 1; Socony Mobil Oil Co., 137 on No. 3 and 15 on No. 1; and Markle Oil Co., 14 on No. 3 and 15 on No. 1. Webb had the contract last year.

Although he did not submit the lowest bid, Harold J. Doerer's bid of \$10.39 to furnish about 200 tons of stoker coal for heating was accepted. Estimated total: \$2,078.

That's for Sahara coal from Saline County, Ill. Western Coal & Supply Co., submitting three bids, was low with a bid of \$9.89 a ton for Oriole coal from Hopkins, Ky. Other bids: Western, Eldorado coal from Saline County, \$10.14, and Oriole coal from Franklin County, Ill., \$10.74, and Stevenson Coal Co., Old Ben coal from West Frankfort, Ill., \$10.74.

Aldermen noted that the BTU's in the Doerer coal was stated to be 12,500 and in the comparable Western coal, 12,300. Additional cost per ton for the higher bid is 25 cents.

Second Ward Ald. William S. L. Christensen and 4th Ward Ald. Daniel Bambenek favored accepting Western's bid of \$10.14. They said that the coal offered by Western for \$10.14 met specifications. Ald. Christensen said that if there is dissatisfaction over coal delivered, regular tests should be run on the coal.

Buy Dodge Truck
With Ald. Christensen and Bambenek again dissenting, the Council voted to purchase a Dodge T48 truck from the Seifert-Baldwin Motor Co. for \$4,866.90. That's with a St. Paul body. Winona Truck & Implement Co. had offered to furnish an International truck, meeting specifications, for \$4,760 with an Aristocrat body. With a St. Paul body Winona Truck wanted \$4,835 for an International.

Street Commissioner Thomas Gile and Street Committee Chairman Henry V. Parks said they preferred to see the Council purchase a truck with a St. Paul body.

All bids included an allowance for a 1942 Dodge. Seifert-Baldwin is allowing \$2,000; Winona Truck was allowing \$1,312.60 on the Aristocrat body and \$1,363.60 on the St. Paul body. The other bid was by Owl Motor Co., Ford, \$5,064.90.

Seifert-Baldwin will deliver about July 14. It is a 4-wheel drive truck designed for heavy duty work, including snowplowing.

Loader Purchased
But the biggest contract of the evening went to the Rosholt Equipment Co., Minneapolis, to furnish a one cubic yard loader. Allowing \$1,750 for a used loader, Rosholt will furnish the Frank G. Hough Co. loader for \$8,347. The Council will spend another \$100 for 8-ply tires instead of 6-ply tires.

Other bids after the used loader allowance: Mork-Wittauer Equipment Co., Minneapolis, \$9,495, Michigan tractor shovel; Borchert

Freeman Will Be Asked About Highway 61 Work

Gov. Orville Freeman, who will be in the city Wednesday for the Winona State Teachers College graduation, will be asked by letter what progress has been made on the reconstruction of Highway 61 from Minnesota City to La Crescent.

Council President William P. Theurer told aldermen Monday night at City Hall that every winter thing will be done next year. He said it might be a good time to inquire now during the construction season.

Earlier this year, Gov. Freeman wrote a letter assuring city officials that he would press for early action.

The Department of Highways told The Daily News Monday that the bid opening for grading of the Minnesota City-Mankato avenue sector is tentatively scheduled for early August.

One alderman said he had heard a report that despite public state assurances to the contrary, the Highway Department is making no definite moves to acquire property east of Mankato avenue because it feels that the possible merger of the North Western and Milwaukee roads, which has been discussed in a preliminary way,

Stafford King Asks About Money for Small Claims Group

ST. PAUL (AP)—State Auditor Stafford King today asked Atty. Gen. Miles Lord how much money the last Legislature appropriated for the Minnesota Small Claims Commission.

King said one law enacted by the Legislature appropriated \$22,500 but that another law appropriated \$7,500 and \$7,000, respectively, for each year of the next biennium.

Lord was asked which appropriations governs or whether the total of \$37,000 was available.

Supervised Play Begins Monday

Supervised play at city's playgrounds will begin Monday morning.

Play sessions will be in progress from 9:30 to 11:30 a. m. and 1:30 to 5 p. m. daily.

A series of leadership staff meetings will be held each morning beginning Wednesday and continuing through Saturday.

Council Rejects Station's Plea For Ice House

Offers to Consider
Substantial Addition
To Main Building

The City Council rejected a highway 61 service station's proposal to build an icehouse bigger than the station Monday night, but aldermen are taking under consideration a suggestion that the owner be permitted to build a substantial addition to the station.

Involved is Hanson's Direct Gas Station, 700 E. Sarnia St., whose building was nearly destroyed by fire last fall. Under the zoning ordinance this commercial operation could not be rebuilt in the class A residential district without Council approval. Aldermen arbitrarily decided that less than half of the building had been destroyed making reconstruction legal as a nonconforming use. However, they secured a verbal promise that trailers parked there illegally would be removed.

Last month Hanson and Manager Ed Bunke asked for permission to put an icehouse on the property. Ald. at-Large Gordon L. Weishorn, after looking at the proposal, said last night that the icehouse would be bigger than the station itself. Also last month aldermen asked City Building Inspector George Rogge to order removal of the trailers, which were still there.

Last night aldermen voted unanimously to reject the application for the icehouse after receiving a negative recommendation from Rogge.

Then, in committee of the whole, they heard Hanson and Bunke. Hanson, who lives in Mankato, said the icehouse would "be an asset to the city."

Termed Truck Terminal
Bunke said that if he has to move the trailers he won't have any place to store his inventory. Several aldermen suggested that he might also move oil barrels to improve the appearance of the station.

Then Hanson suggested construction of an addition. He thought that a building about 20-by-30 feet would be adequate.

Aldermen decided to ask the building inspector to check the station to see if such a building would be adequate.

City Attorney Harold Streeter said that in his opinion, construction of an addition for storage of products used in the retail service station business wouldn't violate a "constitutional" of the non-conforming use section of the city's zoning ordinance.

When 4th Ward Ald. Joseph Karsina said that Bunke is running "a truck terminal," Streeter said that he does not have that right. On recommendation of the building inspector, Vincent A. Wicka, 275 Chaffin St., was given authority to build a garage in violation of the lot line restrictions. A neighbor had given written approval.

Put to Building Inspector
Referred to the building inspector to see if the station would violate lot line restrictions under the zoning ordinance. The building inspector, Vincent A. Wicka, 275 Chaffin St., was given authority to build a garage in violation of the lot line restrictions. A neighbor had given written approval.

Subject to the approval of the fire chief and the passage of an ordinance, the Webb Oil Co. was given authority to install a 2,000-gallon underground gasoline tank at the Webb service station at Glen Echo and Clark's Lane.

The Council received a formal request from Winona Properties, Inc., to extend sewers in Johnson's Addition. Sydney Johnston, president, previously had made the request informally and preparation of plans and specifications has been begun. This is an assessment project.

Letter From New Orleans
Filed was a letter from New Orleans Mayor Lelespess S. Morrison asking the Council to support a bill in Congress authorizing the tidewater channel to the Gulf of Mexico at New Orleans. The 70-mile channel would cost about \$71,000,000.

The aldermen agreed to accept dedication of a street from Glen Acres, Inc., owners of Glen View, Glen Mary and Glen Echo. Philip A. Baumann wrote that Glen Acres is contemplating purchase of a 70-foot right of way from Highway 43 to the old West Burns Valley road from the owner, Carleton Neville. He said that the firm plans to open up Glen Echo which would contain about 100 building lots. Distance involved is about 500 feet, and through it the city is agreeing to lay an interceptor sewer to serve Glen Echo.

The city started condemnation proceedings against Andrew Szarmach, owner of lot 8, Block "B," E. C. Hamilton's 3rd Addition to the city, which will become an extension of East Mark street to serve a light industrial area to the north of the Lake Winona out-leitch. The lot is 50 feet wide and runs 246 feet east of Wall street.

City Attorney Harold Streeter said that the Milwaukee Road, as it has indicated previously, is contributing \$1,000 to the cost of extending this street. The alternative to the condemnation was opening

Fire Case Resumed In Federal Court

The trial of a property damage suit stemming from a fire at Owatonna last Dec. 4 was resumed in U.S. District Court here this morning. Brought by the Watson Brothers Transportation Co., Omaha, Neb., against Sidney Welker and Otto Wodrich, Owatonna, the action involves claims for damages allegedly suffered when fire extensively damaged a service station operated by Welker and a Watson truck carrying a load of explosives.

The jury trial, at which Judge Edward J. Devitt is presiding, began last Wednesday morning and is expected to continue through Wednesday.

Announcement was made this morning, meanwhile, that the Pure Oil Co., originally named as a defendant in the case, has been dismissed as a defendant but still has a counterclaim for damages in the case.

The defendants, represented by H. M. Lamberton, Jr., Winona; Joseph Mooney, Waseca; and William O'Brien, Minneapolis, began presentation of their case this morning following an opening statement to the jury by Mooney.

The trucking firm is represented by John Mordant, Minneapolis. The fire which figures in the case broke out while the Watson truck was being serviced at the Welker station by Wodrich, a night attendant.

Court had been in recess since Friday afternoon.

Damage \$750 in 2-Car Collision

Damage estimated at \$750 resulted from a two-car collision at East 4th and Market streets at 7:20 p. m. Monday.

Involved were a car driven west on 4th street by George Kulas, Winona Rt. 2, and a southbound car driven by Edmund Czekoz, Sugar Lake.

Kulas estimated his damage at \$800 and damage to the other car amounted to \$150.

At 2:30 p. m. Monday cars driven by Richard Dennis, 407 E. 2nd St., and Catherine Phillips, Winona Rt. 2, collided on West 3rd street near Main street.

Dennis estimated his damage at \$50 and \$75 damage resulted to the other car.

Elmer Johnson, 168 W. 5th St., and Gilman Glenna, 117 W. Mark St., were drivers of cars that collided at W. 4th and Main streets at 11:40 a. m. Monday.

Johnson, who estimated his damage at \$175, was arrested by police on a charge of failing to yield the right of way to another vehicle. He forfeited a \$5 deposit in municipal court this morning.

Glenna reported \$75 damage to his car.

up of another crossing across the Milwaukee tracks.

A hearing on the condemnation will be held July 5.

At a similar hearing for vacation of a street of West 4th street west of Villa street to the Milwaukee Road right of way, only one appearance was made, and that was by Loren Torgerson, attorney for Badger Machine Co., owner of abutting property on either side of West 4th street.

Vacation of the street was held up pending decision on a catch basin for a storm sewer in the portion to be vacated. Badger Machine, said Torgerson, will assume maintenance of all municipal services now in the street.

First Ward Ald. William F. Holden said he was satisfied that an alley running north of 4th as an extension of Villa — then along the Milwaukee Road to Gould — would benefit the city by the vacation.

Fourth Ward Ald. Joseph Karsina voted against starting the condemnation proceeding.

A resolution to hire Thomas Cierzan, city engineering department employee to inspect about 400 television antennas, was passed. Hourly pay is about \$4.5. He does this work on his own time.

A request from Miss Josephine Kukowska, 760 E. 2nd St., to have construction of a sidewalk omitted from a forthcoming city contract held over to a subsequent hearing. Involvement is lot 14, block 11, Fairfax Addition.

Street Vacated
When no one appeared for a hearing on the closing of portions of West Howard street and Samstead street in Kittle's First Addition, the Council vacated the street. City Engineer W. O. Cribbs agreed with owners of the addition that with the forthcoming construction of a service drive adjacent to the new route of Highway 61, there is no further need for the streets involved.

An ordinance was passed formally establishing a no-parking area adjacent to the playground east of the bandshell in Lake Park. The no-parking areas have been marked for several years. Ordinances affecting the drives in Lake Park and the Park-Recreation Board, but the city attorney said to inquiring aldermen, "This is your street."

Three other ordinances were passed in accordance with previous agreement:

Setting up a no-parking area in the east-west alley between Kraemer drive and West Wabasha street — the Project Service drive — and making the same alley a one-way street, west to east.

Authorizing construction of canopies over the sidewalk at Haft's Grocery Store, 474 W. Sarnia St., and at 62-64 E. 4th St. (George Falk owner).

Free Swimming Lessons Offered Boys 8-12 at Y

The first annual YMCA free swim instruction week is scheduled from June 13 to 18.

Any boy 8 through 12 who cannot swim 60 feet is eligible to sign up. No fee or YMCA membership is required.

Each class will be one half hour in length and will meet once each day for a week. Each boy must furnish his own towel.

Classes will be limited to 25 boys with six instructors for each class.

Enrollment blanks may be obtained at the YMCA until Monday.

A demonstration for parents will be held June 13 at 1:30 p. m.

3 La Crosse Boys Fined \$20 For Park Fight

WHITEHALL, Wis. — Three La Crosse boys are each \$20 poorer and physically chastised today after a midnight bout with three Trempealeau County law enforcement officers Sunday and a trial before Justice P. M. Paulson Monday.

They were part of a La Crosse youth crowd of about 250 who were committing acts of delinquency in Perrot Park, Trempealeau, late Sunday, according to Sheriff Ernest Axxness.

The trio—Jack Schweifeger, 18, Jack Kaemer, 17 and John Soukup, 19—pleaded guilty to disorderly conduct before Paulson yesterday afternoon and were fined \$20 each.

They were held overnight in the county jail here after attacking the three officers who were attempting to chase the teenagers from the park.

"We have never seen anything like that before," Axxness said today. "There were 55 carloads of boys and girls with an estimated four persons to a car. Park officials picked up three large garbage cans full of beer and whisky bottles left by their party."

Seventeen or 18 youths jumped Trempealeau County Deputy Sheriff O. G. Bemis, Trempealeau Village Marshal Ralph Ebersold and park caretaker Emil Wagner as they tried to clear the park. They had to fight for their lives, according to the sheriff.

Eventually all but the three youths mentioned above ceased fighting and they are "bumpy on the outside today" after their experience, Axxness said.

"Ordinarily we don't arrest the boys and girls who give us trouble," the sheriff said, "if they go quietly."

"We are not going to let up. It is going to go hard with those who give us trouble today."

Most of the 250 youths were graduating seniors from the three La Crosse high schools, the sheriff was told by the trio. They were not themselves going to school at the present time.

Wagner called Bemis, who resides in Trempealeau, late Sunday, asking help with the large crowd which was cavorting there after a drinking spree. Ebersold accompanied Bemis and they went in blind you might say," Axxness related. "Luckily," he continued, "they knew how to take care of themselves."

Highway 95 Work Let

MADISON—A \$242,144 bid was low today for crushed stone surfacing of a 12.485 mile stretch of State Highway 95 between Blair and Hixton.

The bid was opened at the capital today along with others for various state projects totaling \$2,883,177. Gov. Walter Kohler must approve the proposals before contracts are signed.

Plautz Brothers, Willard, Wis., entered the low Blair-Hixton bid. It is for work from Blair east to the Trempealeau County Line and from the Jackson County line east to Hixton.

Minneapolis Youth Escapes Injury

PRESTON, Minn. (Special)—A Minneapolis youth miraculously escaped injury Sunday morning when his car left Highway 30 one mile east of Pilot Mound and rolled into a ditch.

Robert M. Hewes, 25, was alone and traveling alone in a blinding rain when he failed to negotiate a turn in the road and crashed. The accident occurred about 11 a. m.

Damage to his car was estimated at \$500 by state highway patrolmen who investigated.

Miss Sara Brown, Assistant to Princess Kay of the Milky Way.

12 Winona Co. Girls in Race For Dairy Queen

Twelve Winona County beauties will compete for the right to represent this area in the Minnesota Princess Kay of the Milky Way contest during county dairy week, June 13-18.

Their first appearance during the competition will be at the second annual dairy banquet at the Oaks Wednesday at 6:45 p. m. Myron J. Clark, former state commissioner of agriculture and currently American Dairy Association director for the state, will be the main speaker.

A county princess will be named at a coronation ball at the Winona Armory next Monday evening with Whoopie John, nationally famous polka musician, playing for dancing.

Aide to Princess Kay
The princess will be crowned by Miss Sara Brown, formerly of Ridgeway, and now a resident of Ramsey County. She is an aide to Miss Eleanor Maley, Grand Meadow, current Princess Kay.

Judges will meet with the candidates Wednesday afternoon at the Winona YMCA for preliminary judging. Making the beauty decision will be Mayor Maurice Quale, Rushford, Miss Patricia Hutton, Houston County home agent and Owen Owens, Rochester Dairy.

Particulars about each candidate follows:

Miss Alida Ann Olson, 19, La Moille, works for H. Choate & Co., Winona, sponsored by the Winona Milk Co.; Miss Rita Nintemann, 20, St. Charles, a sophomore at the University of Minnesota, sponsored by the St. Charles Peppers 4-H Club and the Rochester Dairy.

Miss Florence Mae Sebo, 18, Dakota, a sophomore at Winona State Teachers College, sponsored by Doerer's Winona.

Miss Ardena Diderich, 17, St. Charles, graduated from St. Charles High School this spring, sponsored by the Speltz Chick Hatchery; Miss Donna Mae Nelson, 21, Altura, a secretary at Altura Rex Turkeys, Inc., sponsored by the Winona County Fair Bureau.

Miss Arla Rhoda Stueve, 20, Winona Rt. 3, at home on dairy farm, sponsored by the Ridgeway Creamery.

Public Invited to Banquet
Miss Mary McCormick, 17, Secretary at Lake Center Switch Co., sponsored by Dairy Queen of Winona; Miss Audrey Anne Simon, 17, Lewiston, stenographer at Winona National & Savings Bank, sponsored by the Fremont Green Clovers 4-H Club; Miss Marilyn Tibor, 17, Rollingstone, graduated this spring from Holy Trinity High School, sponsored by the Mississippi Valley Public Service Co.

Miss Dolores Rihs, 20, Winona, a college sophomore, sponsored by the Madison Silo Co.

Miss Charlotte Ann Svenningsson, 17, Winona, graduate of Winona High School this spring, sponsored by the Springdale Dairy and Miss Mary Ann Speltz, Minneapolis, a student at the College of Saint Teresa, sponsored by the Mt. Vernon Beacons 4-H Club.

The public is invited to the banquet and coronation ball, the dairy week will include a Winona Chiefs ball game Tuesday, June 14 at Gabrych Park, and a butter cake bake-off at the high school June 16.

The bid was opened at the capital today along with others for various state projects totaling \$2,883,177. Gov. Walter Kohler must approve the proposals before contracts are signed.

Liquor License Fee Raised to \$1,200 Annually

Council Decides
To Cut On-Sale
Beer Levy \$50

Cost of doing liquor business on-sale in Winona will go up July 1, but the overhead for taverns will be down a little.

Here's what the City Council did at City Hall Monday night:

o Raised the on-sale liquor license fee from \$945 to \$1,200 annually.

o Lowered the on-sale 3.2 beer license fee from \$250 to \$200.

o Raised the off-sale beer license fee from \$5 to \$15.

That means that 15 bars will be paying \$1,400 a year instead of \$1,200, providing they continue to apply and receive on-sale 3.2 beer licenses.

And taverns if they get both the on- and off-sale beer licenses, will be paying a total of \$215 instead of \$255.

As far as the city is concerned it stands to gain about \$1,000 in revenue annually, providing as many licenses are issued. However, it appears to be fairly certain that there will be fewer tavern licenses in the city beginning July 1.

First District Legion to Meet At Spring Valley

SPRING VALLEY, Minn. — The 10-county 1st District American Legion organization will meet here Friday through Sunday.

Preliminary sessions will be held Friday. Harold C. Littlefield, Austin, will preside at an executive committee session Friday at 4:30 p.m. at the high school and past district commanders and adjutants will hold a dinner meeting at the Parkview Cafe Saturday evening. Meanwhile, there'll be open house at the American Legion Club.

Legion and auxiliary business sessions will be held at the high school Saturday morning and afternoon. The convention banquet will be served at 6:30 p.m. at Our Saviour's Lutheran Church. A dance at the Legion club will follow.

Both the Legion and auxiliary will elect officers Sunday morning. President of the auxiliary now is Mrs. Lud Gartner of Preston.

Memorial services will be held at 11 a.m. at the high school with the Rev. Webster Barnett, Winona, Minn., 2nd District Legion chaplain, as speaker.

The parade will be at 2 p.m. This should be there by 1:30, said Dr. E. L. Morse, chairman.

In charge of housing are Mr. and Mrs. Loren Jorris. Clarence Kohn and Mrs. Norman Jech are general chairmen for the convention of the 58 posts in the district and their auxiliary units.

In the foreground, a new Mercury Montclair shows its low silhouette. Accelerating up the 28% grade, another shows its high power.

NEW LOW IN SILHOUETTE NEW HIGH IN POWER

The new Montclairs are the highest styled, highest powered Mercurys ever built. Only 58½ inches high! 198 horsepower with dual exhausts!

Ever notice what happens when folks get together in the good old American custom of talking cars?

Sooner or later—they get around to the new Mercury Montclair. And to a flock of superlatives that haven't been heard in years about any car.

For this is the car that even excites many sports car lovers—as well as family men.

MERCURY'S TOP OF THE LINE

This is a dream on wheels. 58½" high—or should we say low? A whole foot-and-a-half wider than it is high. A luxuriously long silhouette. Beautiful baked-on enamel colors which make Mercury shine on any street. And you can choose from four stunning new models, all with room a-plenty. The brand-new four-door Sedan, the hardtop Coupe, the Convertible, or the Sun Valley with transparent roof panel.

And there's horsepower to spare—198 horsepower in this new SUPER-TORQUE V-8 engine. With new quicker-acting Merc-O-Matic Drive, you get a boost in pickup and passing power as high as 30% over last year's powerful Mercury.

ONLY MERCURY GIVES YOU ALL THESE FEATURES

The dual-exhaust system is standard on the Montclair. There's improved ball-joint front wheel suspension, and a 4-barrel vacuum carburetor. Plus the widest choice of power features in its field, including Multi-Luber. (Push a button on the dash and all vital steering and suspension points are automatically lubricated!)

NOW'S THE TIME TO BUY

Right now—we've a good supply of Montclairs. And right now—we're trading high. Come in for a look—a trade-in figure on your old car—and a demonstration of the Mercury Montclair. You'll never go back to any other kind of car!

All Connected With Mindszenty Case Liquidated

SOUTH BEND, Ind. (AP)—Atty. Gen. Brownell said Sunday the world may never know the full story of the imprisonment of Cardinal Mindszenty in Hungary because the Communists have liquidated the persons closely connected with the case.

"Dead men tell no tales, and this was one tale the Communists wanted to hide forever," Brownell told the class of 1,000 at the 110th commencement at the University of Notre Dame.

Brownell said persons liquidated included three ministers of the interior, key witnesses, secret police who arrested Mindszenty, interrogators who questioned him and a minister of justice. Mindszenty was sent to prison after what Brownell called "a mockery of a trial" for treason.

The attorney general reported "worthwhile results" from an American "escape program" aiding 50,000 persons who have escaped from behind the Iron Curtain. He said each successful escape is "a bright ray of hope" to those left behind.

2-Year-Old Driver Backs Into Trouble

EAST PROVIDENCE, R. I. (AP)—The driver of a car involved in a two-car smashup yesterday was a 2-year-old boy, police discovered.

Police Lt. John Vitaccolonna said this is what happened:

The infant son of Thomas H. Carney spotted the keys to his father's car on the kitchen table. He carried them to the car, turned on the ignition and stepped on the starter.

The car, apparently left in reverse gear, backed out of the driveway and into a parked car owned by Raymond E. Brouillard. The youngster was not injured.

Way Paved for Lakes Channel Legislation

By RICHARD P. POWERS

WASHINGTON (AP)—The first legislative step in consideration of the 150 million dollar Great Lakes connecting channel project is expected to get under way in a week or two.

Chairman John A. Blatnik (D-Minn.) of a House Public Works subcommittee, to which the authorizing legislation has been referred, said he is clearing the decks for a hearing on it.

Blatnik told a reporter he expects the hearing to last less than a week. He also said he believes there will be far less opposition than that which for years held up the St. Lawrence Seaway.

The 105-million-dollar seaway, authorized last year by Congress, is expected to be completed by the fall of 1958. It will provide a 27-foot channel from Lake Erie to the sea. The connecting channel work is designed to provide a 27-foot channel westward into Lake Superior.

Blatnik said there is a fairly good chance the House will authorize the connecting channel project this year.

Sen. Alexander Wiley (R) said that if the House acts this year he will press for Senate consideration before this session adjourns.

The Board of Army Engineers early this year unanimously approved the connecting channel work. Comments were asked and received from governors of the Great Lakes states. However, their comments have not been made public.

The recommendation of the Army Engineers has not been sent to Congress. It is now before the Budget Bureau. However, Blatnik said he will go ahead with the hearing without waiting for the Budget Bureau to act.

Blatnik said the railroads are expected to present the main opposition to the connecting channel work — just as they led the fight against the seaway. But he indicated he believes there would be far less steam behind the opposition to the new project.

"It just is not the same opposition that faced the seaway," Blatnik said. "For instance, the private utilities are out of the picture."

"Then too, this is part of our inland transportation system. It isn't an international affair such as the seaway."

"Members from other areas of the country can't oppose this channel deepening work and expect to get our support for similar work in their areas."

The work would include deepening and improving the channels in St. Mary's River, Straits of Mac-

kinac, St. Clair River, Lake St. Clair and the Detroit River to provide 27-foot channels for traffic in both directions.

The existing channels provide a 25-foot depth for downbound and 21 feet for upbound vessels.

The Internal Revenue Service reports 1,319,702 individual income tax returns were filed from Wisconsin in 1951, the latest year for which such statistics have been compiled.

The Wisconsin returns showed an adjusted gross income of \$4,706,494,000 on which income taxes of \$524,133,000 were paid.

The largest amount came from those earning between \$5,000 and \$10,000. There were 217,258 Wisconsin returns in this bracket, with a total adjusted gross income of \$1,360,459,000 on which the income tax liability totaled \$162,269,000.

Of the 1,319,702 returns filed, 175,214,000 had adjusted gross income under \$1,000. Returns showing adjusted gross income between \$1,000 and \$2,000 numbered 235,107; between \$2,000 and \$3,000 the total was 235,783; between \$3,000 and \$4,000 it was 237,392; and between \$4,000 and \$5,000 the number was 188,451.

Eleven returns listed gross income of from \$250,000 to \$300,000; 11 reported gross income of \$300,000 to \$400,000; there were 10 between \$400,000 and \$500,000; and three between \$500,000 and \$750,000.

The latter three paid \$929,000 in taxes. No names were given.

Christian-Science President Named

Mrs. Gertrude W. Eisman

BOSTON, Mass. (AP)—Mrs. Gertrude W. Eisman, Boston, Monday was named president of The Mother Church, The First Church of Christ, Scientist, here at the annual meeting.

Her one-year appointment was announced by the board of directors.

Practical application of scientific Christianity is building a mighty bulwark for individual, national and universal liberty, the board declared. At the gathering of some 7,500, the directors said "assurance of freedom from sickness as well as from sin, from want and woe as well as from forebodings of despair" is available to all through spiritual understanding of God.

Members from Australia, Africa, Switzerland, Germany, Great Britain, Sweden, Japan and other distant points, as well as Canada and the United States, came to Boston for the meeting which has been held annually for more than a half century. Smaller meetings on specialized subjects convene on days following the main session.

Healings through spiritual means alone of broken bones, immorality, tuberculosis, heart trouble and poliomyelitis were among those reported by Gordon V. Comer, clerk, in referring to Christian Science activities for the armed services.

Other Christian Science healings cited at the meeting included total recovery from alcoholism, deafness, blindness, dumbness, lumbago, goiter and a congenital dislocated hip.

More widespread public acceptance of divine healing was reported by Will B. Davis, manager of Christian Science committees on publication. Many insurance com-

Jewelry Stolen As Woman Gets Honorary Degree

BOSTON (AP)—While Mrs. Helen V. Rose was receiving an honorary degree from Emerson College yesterday a thief was busy stealing \$3,000 worth of her jewelry from a nearby cloakroom.

The Newburyport housewife, a graduate of Emerson who is active in its speech clinic, had worn the jewelry but was advised it was customary not to wear any while receiving a degree.

She placed the jewelry in a hatbox in the cloakroom. After receiving a master of arts degree, she discovered the jewelry and a handbag containing \$24 had been stolen.

panies, he said, are now adding special riders to their policies recognizing Christian Science practitioners, nurses and sanatoriums.

Increasing demand for lectures on college campuses was announced by the board of lectureship in a report read by John S. Sammons, Chicago. Sammons also disclosed that over 4,000 lectures—including many in Asia and other overseas areas — were given during the past year.

New translations of certain of the writings of Mary Baker Eddy, the discoverer and founder of Christian Science, into French, Greek and seven other languages were announced by the trustees under her will.

Membership figures are not published by the denomination, but a net gain of 31 branches in the past year was reported, bringing the total to more than 3,100 in some 46 countries.

Viet Nam Premier Moves to Wipe Out Rebel Army

By JOHN RODERICK

SAIGON, South Viet Nam (AP)—Premier Ngo Dinh Diem's national army pressed onward Monday against forces of the dissident Hoa Hao religious sect as the government chief drove to consolidate his power in South Viet Nam.

Diem ordered the offensive yesterday while parleys were still in progress to bring the Hoa Hao's private army into the national forces.

The premier hurried more than 30 army battalions against Hoa Hao Gen. Tran Van Soai's estimated 3,000 to 5,000 men after a series of rebel attacks on Bassac River ferry posts.

A few hours later Diem's men had occupied all the main routes linking Sadek, Long Xuyen and Lai Vung and forming an equilateral triangle of about 270 square miles some 75 miles below Saigon.

By nightfall the Army's foot troops had fanned out into the rice fields to flush retreating rebels, many of whom surrendered.

Soai has been reaping rich profits for years in rice crops and transport taxes from the lush area.

The government reported today that operations against the rebels are continuing normally. It gave no details of the fighting, but last night the casualties stood at 3 army and 10 Hoa Hao dead.

As the operation unfolded, two of Soai's top aides, Col. Nguyen van Minh and Col. Bertin Leiu handed Diem's government a proposal from their chief calling for integration of the Hoa Hao troops into the army.

Both Minh and Leiu said they opposed war with the government and were convinced Soai had sent them to the capital to get rid of them.

Diem unleashed his offensive against Soai five weeks after crushing the Binh Xuyen private army in savage street battling in Saigon.

In addition to the Soai forces,

Diem is opposed by the tough troops of Gen. Le Quang Vinh better known as Bacut. A rebel who wears his hair to his shoulders and chopped off a finger to protest the Geneva armistice which split Viet Nam in two; Bacut holds much of the Far West and is a master of guerrilla warfare.

The Cao Dai religious sect, bigger than the Hoa Hao, is cooperating with the government in its attempts to unify the army and the administration.

A third Hoa Hao general, Lam Thanh Nguyen, opposed Diem politically but is not inclined to fight.

The Hoa Hao religion was founded in 1939 during a thunderstorm by a sickly youth named Huynh Phu So who later was to die at the hands of the Viet Minh.

Vaccine Cleared For Million More School Children

WASHINGTON (AP)—The government has given the sputtering anti-polio inoculation program a shot in the arm with clearance of enough fresh Salk vaccine for about a million more doses.

U. S. Surgeon General Leonard A. Scheele announced late yesterday the approval for immediate distribution of some one million cubic centimeters of vaccine made by Eli Lilly & Co., Indianapolis.

A few hours later, the National Foundation for Infantile Paralysis—which is paying for the mass immunization of first and second-grade children—instructed the Lilly firm to ship cleared supplies by "the quickest possible route" to New Jersey, Maine, Montana, North and South Dakota. Children in these states have yet to receive their first shots in a projected three-shot series.

At the same time, Dr. C. Foard McGinnis, National Foundation consultant who wired the hurry-up shipment orders to Lilly, said in Atlantic City, N. J., the drug firm would be asked today to send vaccine out of the same million-shot supply to eight Southern and Western states where it would be used for second doses. He listed these states as Florida, South Carolina, Georgia, Mississippi, Alabama, Louisiana, Arizona and New Mexico.

The government and the foundation are aiming at getting two shots into as many of the first and second-graders as possible before the polio season reaches its late summer peak. A third "booster" shot is planned for seven months later.

Billy Graham Competes With Thunderstorm

PARIS (AP)—Evangelist Billy Graham got some tough competition from the elements last night. A violent thunderstorm nearly drowned out his voice midway through the second meeting of his Paris crusade.

Some of the 6,000 persons gathered in the sprawling Velodrome d'Hiver sports arena for the service hurriedly shifted seats when the rain leaked through the roof at half a dozen points.

The attendance was about 2,500 less than at Sunday's opener in the five-day crusade. But the 37-year-old North Carolina minister said the audience was "much larger than I expected on Monday night."

"I'm glad the rain has come," he told the crowd. "I know you need rain in Paris and I was a farmer once, so I am thankful for the rain."

When he called for decisions for Christ, 356 persons moved forward. Sunday night there were 623.

Two Paris newspapers criticized Graham's platform manner and delivery yesterday but the conservative Le Monde said it would be "unjust and disingenuous" to object to his "American style."

"Billy Graham's technique," Le Monde said, "may shock the sensitivity of European 'intellectuals.' But the fact is that he succeeds. The French Protestants who did not hesitate to bring Billy Graham here, despite certain misgivings, have made no mistake."

Graham's sermons here are translated as he speaks by a French pastor standing beside him.

Stockton Cow Champ At Guernsey Show

THE ARCHES, Minn.—A Stockton cow and Spring Grove bull were selected grand champions at the annual Southeast Minnesota Guernsey parish show and picnic at Farmers Community Park here Monday.

Named top female animal was Hilldale Governor's Beauty, a five-year-old purebred owned by Bernhard Wachholz & Sons, Stockton and shown by Earl Wachholz.

Olaf Kjome & Sons, Spring Grove, exhibited the prize bull, Valleyland Mohawk, a junior yearling. Kjome also won a trophy for the second straight year with the junior champion female, Valleyland Dulcette, born Jan. 26, 1954.

Judging was done by Alfred Melchert, Waconia, assisted by George Chambers, Owatonna, Midwest fieldman for the American Guernsey Cattle Club. There were 30 entries in the show from Winona, Wabasha, Olmsted, Goodhue, Fillmore and Houston counties.

In conjunction with the afternoon program, spectators vied with Melchert in picking champions. Prizes were won by: Male seniors—Homer Goss, Lewiston and Jerry Nichols, Minnesota City; women—Mrs. Roland Olmsted, Lewiston; juniors—James Theising, Lewiston and Donald Nisbit, St. Charles.

Gordon Anderson and Carroll Lodahl, Winona County agents, judged the individual score cards and assisted with the management of the show ring.

Between 80 and 100 persons attended the annual show which started in mid-morning with bull judging and included a noon picnic lunch and afternoon coffee hour.

2 Bodies Still Sought In 7-Victim Drowning

BROWNS VALLEY, Minn. (AP)—Weary crews today dragged Lake Traverse for the bodies of Leo K. Doty, 40, and his son, David, 8, while those of five others who perished in a Friday boating mishap were being shipped to Iowa for burial.

Recovered late Monday were the bodies of Beverly Hout, 11, one of four members of that family who perished, and Lewis Doty, 11. Found earlier were those of Leslie Hout, 41, another daughter, Karen, 14, and son, Edward, 8.

The bodies were being taken to Hawarden, Iowa, where both families lived, by ambulance. The seven drowned when a fishing boat capsized.

WHITEHALL LICENSES

WHITEHALL, Wis. (Special)—Marriage licenses have been granted to Kenneth Loren Hovel, Galesville, and Nancy Elynn Kruse, Trempealeau, and Merlon Bernard Boberg, Arcadia and Donna Jean Jereczek, Dodge.

Hovel and Miss Kruse will be married June 11 and Boberg and Miss Jereczek will be married June 16.

EISENHOWER (Continued from Page 1)

Both had made it clear—as Eisenhower did again today—that they expect no miracle solutions.

Speaking to 469 graduates at the field house at his alma mater, Eisenhower devoted nearly a quarter of his televised address to the proposal that he meet with Russia's Premier Bulganin, Britain's Prime Minister Eden and France's Premier Faure.

Can't Speak for Others He said the populations of the four countries "constitute only a fraction of mankind," and "free nations do not claim any right to speak for others."

For that reason, he said, the Big Four conference is "only a beginning."

Much of the rest of his address, climaxing a three-day visit to West Point, dealt with the role he envisions for the academy graduates. He urged that they achieve a foundation of well-founded wisdom. "And the foundation of wisdom is an unfaltering confidence that a merciful providence will never permit the cause of decency and justice to be completely lost among the children of men," he said.

At another point he invoked the guidance of Divine Providence, and added: "Working and living in this spirit, you as soldiers will make yourselves and the Army a professional counterpart of the American way—jealously conserving principle; forceful in practice; courageous in present crises; steadfast and patient in the long campaign for a secure and peaceful world; stout of faith in yourselves, your alma mater, your country and your God."

The President told the graduates, who are being commissioned as second lieutenants, that while they are likely to be called upon some day for quick and perhaps fateful decisions, their main contribution to America may well be at a council table far removed from war.

"Your entire lives may and should be as seriously devoted to leading toward peace as in preparing yourselves for tasks of war," he said.

Will Determine Future "Almost certainly, many of you will sit at future council tables as principals or as staff advisers. It will be their duty, he said, "to represent accurately the heart and purposes of America."

He also declared: "Of the nations of today the future will say that there were two kinds: Those that were intelligent, courageous, decisive and tireless in their support of high principle—and those that disappeared from the earth."

"The true patriots of today are those who are giving their best to assure that our country will always be found in the first of these categories."

Eisenhower arranged to attend a luncheon reception later at the home of the West Point superintendent, Lt. Gen. Blackshear M.

Bryan, and then leave by plane for Washington.

The President and Mrs. Eisenhower came to West Point Sunday for the 40th reunion of his 1915 class and for the commencement exercises. They have had a busy and a happy time.

Yesterday was devoted mainly to alumni activities. At a luncheon with his colleagues, Eisenhower hit out at what he called "a prevalent notion" among civilians that name callers and desk hammerers make good leaders.

"Happily this academy has never subscribed to any such false beliefs," he told about 1,200 alumni. He named no names in voicing his criticism. Leadership, he said, is "something of the heart and of

the head" and not a matter of "a fluent and wicked tongue."

At the graduation parade last evening, Eisenhower endeavored himself, particularly to a few cadets who were being punished for infractions of the rules.

With a grin he told the academy superintendent: "If I came up here without exercising my prerogative of removing 'slugs,' I would be remiss in my duty. I hereby exercise that authority."

"Slugs" are special punishments—such as confinement to quarters—meted out for breaking rules. It's a presidential tradition to ease such punishment on visits to the academy.

Last night the President and

Mrs. Eisenhower were guests at another dinner given for the class of 1915.

Man's Tinkering With Weather Still Unsettled

By FRANK CAREY

WASHINGTON (AP)—In the lingo of weather forecasting, the outlook as to whether man can tinker with the weather on a practical, economic scale "is still unsettled."

That's the present summary from officials of the government's Advisory Committee on Weather Control, which for almost a year has been seeking to evaluate commercial projects and laboratory and field experiments in the realm of artificial rainmaking—or "rain increasing," as the committee prefers to call it.

Charles Gardner Jr., executive secretary of the committee, also says:

"We are not pessimistic that there's no chance of definite evidence being established that so-called rainmaking is capable of being applied on a scale of economic importance to the nation in terms of increased hydroelectric production, additional agricultural production, increased grazing land yield, and other industrial and municipal benefits."

"What we are saying at this stage of our investigations is that while we have firm opinions from both responsible operators in the commercial field and from some scientists that economically significant increases in rainfall are possible by artificial means, definite, scientific proof has not yet been established one way or the other."

Answers Expected

Gardner says the committee expects to have "reasonable definite and positive answers" for Congress about a year from now. The committee was set up more than a year ago under instructions from Congress to:

1. Determine whether public and private experiments strengthen possibilities for large-scale weather modification and control.
2. Recommend whether the government itself should experiment with, engage in or regulate weather control activities.

Gardner says the hope for getting answers lies in these activities of the committee:

1. Development of new, faster and more precise methods of statistically evaluating tests and commercial projects.
2. Development of radar and other techniques for actually following the atmospheric action of silver iodide, the substance chiefly used in rainmaking efforts.

All such projects of the committee are under the general direction of its chairman, retired Navy Capt. Howard T. Orville, now a consultant to the Rendix Aviation Corp., Baltimore.

About three-fourths of the fiber used in the United States is cotton.

76 to Be Graduated At TC Wednesday

A total of 76 students will graduate from Winona State Teachers College at the commencement exercises in the auditorium of Somers Hall Wednesday at 10:30 a.m.

Gov. Orville L. Freeman will deliver the main address to the classes.

Two students, Stanley Ledebuhr of Winona and James R. Richardson of Caledonia, will receive master of science degrees in education. The first master's candidate at Winona State Teachers College was graduated in June 1954 under the new program inaugurated in 1953.

Thirteen undergraduates will graduate "with honor" as follows: The Misses Carol Anhalt, South St. Paul; Donna Daun and Mary Fishbaugh, Winona; Marlene Fernholz, Arcadia, Wis.; Helen Nelson, Preston, and Patricia Waas, Dakota; Mrs. Lydia Christenson, Winona, and David Christenson, Curtis Peterson, Russell Schmidt and Jon Sontag, Winona; Robert Goetting, Houston, and Lee Krogh, Lake City.

President Nels Minne will preside over the commencement exercises and with Governor Freeman will lead the academic procession into the auditorium to the accompaniment of the "Festival March" by Hollins, played by Miss Agnes Bard of the college music faculty.

Frederick A. Jederman, chairman of the division of social science, will act as marshal for the academic procession.

After the invocation by the Rev. Clare Karsten of McKinley Methodist Church of Winona, the college chorus, under the direction of Walter Grimm, head of the music department, will sing "Pilgrim's Song" as arranged by Riegger.

The commencement address will follow.

Dr. M. R. Raymond, vice president of the college, will present the classes to resident director of the State Teachers College Board, S. J. Kryzsko, who will confer the various degrees and distribute diplomas on the stage of the auditorium.

On returning to their seats, those students who are entering the teaching profession will take the teacher's pledge, a custom begun last year.

Dean Maurice Mariner, chairman of the scholarships and loans committee, will make an announcement concerning the scholarships awarded at the college for the coming academic year.

Following the choral benediction and recessional, an informal reception for parents, guests and friends of the college will be held on the campus.

The list of graduates follows:

Master of science in education: Stanley Ledebuhr and James Richardson.

Bachelor of science: Miss Anhalt, Stanley Barr, Bagley, Wis.; Elaine Behnken, St. Charles; Arthur Bianchi, Elkton; Arnold Boese, Har-

mony; Layne Buckingham, Plainview; Mildred Carhart, Trempealeau, Wis.; Mrs. Christenson and David Christenson, Winona; Leonard Ciesewski, Minnesota City; Maxine Czapiewski, Fountain City, Wis.; Richard Czapiewski, Miss Daun, J. Morgan d'Etienne, Winona; Mrs. Constance Fenne, West Concord; Miss Fishbaugh, Winona; Donna May Freeman, Winona; Robert Goetting; Jerome Grebin, Preston; Mrs. Mavis Hegge, Winona; Roland Hill, Lanesboro.

Mrs. Faye Hoffmann, Gerald Knatterud, Winona; Lee Krogh, Curtis Legwood, Peterson; Henry Lewis, Pine Island; Mrs. Cleo Lohse, Marlene Majerus and Arlene Martinson, Winona; Thomas Meulemans, Alma, Wis.; Miss Nelson; George O'Reilly, Goodhue; Mrs. Willa Owen, Harmony; Curtis Peterson; Merle Peterson, Blooming Prairie; William Prinz, Rochester; Gene Renslow, Russell Schmidt, Winona.

Mrs. Effie Schmit, Zumbrota; Ellen Schwark, Fountain City, Wis.; Jon Sontag, Sondra Stephens, Winona; Gerald Sweeney, Fountain City, Wis.; Marcia Veir, Winona; Miss Waas, Mary Washburn, Spring Valley, and Dick M. Wood, Winona.

Bachelor of arts: John Brose, Gerald Domonke, Thomas McCullough, Frank Mertes and Donald Schroeder, Winona.

Associate in arts: Shirley Slagie and Joanne Wunderlich, Winona.

Associate in education diploma: Mrs. Esther Buscho, Morristown; Mrs. Virginia Callan, Rochester; Mrs. Ruth Corcoran, Caledonia; Janice Decker, Blooming Prairie; Helen Ehlers, Mazepa; Marlene Fernholz, Arcadia, Wis.; Mrs. Hildegard Hendrickson, Plainview; Mrs. Jean Hoppe, Pine Island;

Janice Lawrence, Chester, Iowa; Mrs. Edna Mahoney, LeRoy; Mrs. Helen Martin, Chatfield; Mrs. Lorraine Nickel, Grand Meadow; Mrs. Marjorie Scott, Chatfield; Mrs. Jeannette Sjoval, Rochester; Mrs. Viola Sparks, Plainview; Mrs. Emma Steink, Detroit Lakes; Charlotte Stiehl, Alma, Wis.; Mrs. Isabel Williams, Rochester, and Nancy Wondrow, Winona.

1st Rocket Trip to Moon Prophesied

Plans to honor a local boy who had made the first rocket trip to the moon topped the class prophecy for 1955 presented this morning at Central Junior High School.

Andrea Brynestad was narrator, Margie Will played the role of Betty Bangs, Darlene Berndt, Kitty Kurl; Bill Baumann, Myron the mailman; Helen Swearingen, Mrs. Rich-Rich, and Karen Benning, Miss Haste. Carol Dunn was prompter.

The school orchestra under the direction of John Wood played Mendelssohn's "War March of the Priests" for the entrance of 126 ninth grade students after which "The Star Spangled Banner" was played. Other selections played by the school orchestra were "Gypsy Overture" by Isaac and "March Militaire" by Schubert.

Included in the program was a trumpet solo, "Willow Echoes" by Clark, played by Charles Koeth; a vocal solo, "Oh, What a Beautiful Mornin'" by Rodgers, sung by Mary Nystrom and a trumpet trio, "Trumpeters Three" by Clair W. Johnson, played by John Stow, Jerry Ziebell and Charles Koeth.

The traditional "golden key of success and opportunity" was presented by Gary Buswell, ninth grade class president, to Janette Belter, who accepted it in behalf of the eighth grade class. The concluding number of the program was the class song.

Jeanne Drazkowski was program chairman. Piano accompaniment for the program was furnished by Judy Hansgen.

Ninth grade class officers were: President, Gary Buswell, vice president, Rosemary Koether and secretary-treasurer, Mary Christenson. Class advisers were Miss Phyllis Westlund and Miss Josephine Kukowska.

The ninth grade honor roll read by Charles F. Beckman, principal, included the following pupils:

Darlene Berndt, 3.86; Honey Lou Miller, 3.82; Judy Oakland, 3.79; Karen Benning, 3.82; Andrea Brynestad, 3.47; Alice Alleman, 3.47; Ann Boyum, 3.39; Mary Nystrom, 3.39; Peggy Williams, 3.39; Sandra Holmes, 3.34; Donna Lockwood, 3.34; Mary Sweeney, 3.34; Bernice Drenckhahn, 3.26; Judy Hansgen, 3.26; Virginia Stoeker, 3.26; Judiann Kroner, 3.21; Gary Buswell, 3.20; Lois Teske, 3.21; Marjorie Will, 3.27; Jerry Ziebell, 3.20; Roger Schreiber, 3.18; Judy Cornwell, 3.17; John Stow, 3.16; Judith Stallnecht, 3.13; Marian Nilsen, 3.13; Mae Stack, 3.13; Tanya Olson, 3.04; Carol Dunn, 3.00, and Michael Loomis, 3.00.

FAIRLY SPOKEN

By MARGARET LATROBE

There were nearly 100 new discoveries in science during 1954, according to dispatches from Washington, D. C.

Makes fascinating reading, too, even though in some cases I either don't know what they are talking about or don't see what difference it makes.

The news that "Element 43, Technetium, was found to become super-conductive at the relatively high temperature of 11.2 on the absolute scale" probably leaves physics experts applauding wildly. But me? Still under control. Never heard of Technetium.

And if Mars' approached to within 39,740,000 miles of the earth on July 2, 1954? Well, he is still a long way from first base, the way I figure mileage. And where was Mars on the night of July 2?

But there is one new discovery which delights and cheers, which we perennial 39-year-olds can applaud. "Successful transplantation of unerupted wisdom tooth to replace lost first permanent molar was reported in more than 100 cases."

Bravo-exodontia, dental surgery, dentists all! Some of us whose first molars got themselves "lost"

Portland Woman, Mother Beat Off Child Kidnaper

PORTLAND, Ore. (AP)—Mrs. Lillian Weinstein, with the aid of her mother, early yesterday beat off a man who attempted to kidnap one of her children.

The intruder left behind a gun and a note demanding \$20,000 ransom.

Jesse Moore, 64, a Portland machinist, reported that his .45-caliber pistol had been stolen Sunday night and he identified it as the one found at the Weinstein home.

Detective Capt. William Browne said Moore was being held for investigation but no charges had been filed. Moore denied any knowledge of the kidnap attempt.

Mrs. Weinstein, an attractive woman in her early 30s, is the

daughter of a millionaire Portland manufacturer. She is divorced.

She told police the intruder broke in through a window. She grappled with him and was knocked down several times, once from a blow with the pistol.

He was about to throw a typewriter at her when her mother rushed into the room and shoved him. He dropped the typewriter and jumped back out through the window.

A neighbor, William L. Monahan, aroused by the uproar, fired a shot from his own pistol into the ground outside. That drove the intruder away.

CLASS REUNION

WHITEHALL, Wis. (Special)—The 1940 graduating class of Whitehall High School will hold a reunion to mark its 15th anniversary this year. Sunday, Aug. 14, has been set as the date. A dinner at the golf clubhouse at 12:30 p.m. is being planned.

Greta Olson Wed In Double-Ring Church Ceremony

BLAIR, Wis. (Special)—White, pink and lavender carnations on a white Bible were carried by Miss Greta Olson, daughter of Mr. and Mrs. Orrin Olson, Blair, when she became the bride of Duane Johnson, son of Mr. and Mrs. Sven Johnson, Blair, at 8:30 p. m. Saturday at First Lutheran Church here.

White and pink poodles and lighted candles decorated the church for the double-ring ceremony performed by the Rev. K. M. Urberg. Mrs. Urberg played traditional wedding music. James Hoganson, accompanied by Mrs. Lawrence Holven, was soloist.

The bride given in marriage by her father, chose a gown of imported Chantilly lace and net over satin, the lace bodice made with scalloped neckline and long sleeves. The bouffant skirt with a border of applied lace flowers, worn over a hoop, swept into a train. A Juliette cap, trimmed with seed pearls, held her illusion veil appressed with lace flowers.

She was attended by the bridegroom's sister, Miss Janet Johnson, as maid of honor, and her three sisters, Miss Patricia Olson, Miss Lois Olson and Mrs. Richard Stone, bridesmaids.

The attendants were attired in identical gowns of double tulle net over taffeta, fashioned with jackets. Janet was gowned in blue, Patricia in yellow, Lois in green and Mrs. Stone in lavender. Their pleated nylon headresses were adorned with daffodils and pearls. They carried cascades of pink, white and lavender carnations.

Patricia Shay, daughter of Mr. and Mrs. George Shay, Arcadia, in a white frosted organza dress, was flower girl and Lance Olson, son of Mr. and Mrs. Prie Olson, Blair, was ringbearer.

Carl Herried, Blair, was best man and James Pederson, Robert Sevold and Richard Stone, Blair, were groomsmen. Roger Nerberg and Richard Toranson ushered.

For her daughter's wedding, Mrs. Olson wore a pink coin dot frock with white accessories. The bridegroom's mother wore navy with white accessories. They were carriages of pink and white carnations.

Mrs. William Olson, grandmother of the bride, and Mr. and Mrs. Michael Gunderson, grandparents of the bridegroom, were honored guests.

A reception for 250 guests was held in the church parlors. Garden flowers were used.

Miss Jean Nyen, Blair, had charge of the guest book and Miss Dorothy Remus, Winona, and Miss Doris Helstad, Ettrick, of the gifts. Miss Evangeline Olson poured and Mrs. Herschel Dahl served the wedding cake.

Assisting in serving were Mrs. James Dahl, Mrs. Ronald Olson, Miss Gloria Hoff and Miss Phyllis Olson. Mrs. Melvin Syverson, Mrs. Alvin Berg and Mrs. Robert Syverson served from the kitchen.

For travel Mrs. Johnson chose a lavender box suit with pink accessories. The couple will reside at Blair, where the bridegroom is employed by the Preston Creamery. The bride will continue as receptionist for the Benson Optical Co., La Crosse.

Pre-nuptial showers were given at the First Lutheran Church, Blair, and by a group of friends at La Crosse.

The number of pupils in American public schools increased from 23,500,000 in June 1929 to 25,100,000 in September of the same year.

Mrs. Hoffman's Students in Piano Recital

The last of three recitals to be given by piano students of Mrs. John J. Hoffman, 1252 W. Broadway, will be presented Thursday at 2:30 p. m. at her home. The program follows:

ETTRICK, Wis. (Special)—On a fishing trip to Ignace, Ontario, Canada, are the Rev. Luther B. Keay and his brother, Clinton Keay, Iowa; John Alseth, Beloit; Dr. S. Barge, La Crosse; Lloyd Dahl and Norman Hagen, French Creek, and John Terpening, Victor, Folkedahl and Kenneth McLeod.

DOUBLE BIRTHDAYS

WOODLAND, Minn. (Special)—Mr. and Mrs. Vincent K. Claussen and family entertained at their home in Plainview June 5 at a double birthday dinner in honor of the former's father, Otto Claussen, whose birthday was May 29 and his grandfather, Charles Kramer, whose 94th birthday was May 31. His sight and hearing are not as good as formerly but Mr. Kramer enjoys fairly good health, and is up early every morning, and with the exception of a short nap after dinner is busy all day. He has planted a patch of pop corn by hand, and is hoeing the patch. He has two sons, R. L. Kramer, Winona, and R. A. Kramer, Bismarck, N. D.; two daughters, Mrs. Alfred Tlougan, Haverhill, and Mrs. Otto Claussen, at home; 18 grandchildren and 21 great-grandchildren.

Lifting Strain Worst Cause Of Backache

By IDA JEAN KAIN

If you're not bothered with backache and have never heard the term sacroiliac, go merrily along your smooth way. This column would merely bore you. From the painful angle, unfortunately, this will not hold true for many. Backache is all too common.

The cause may be any number of things—poor posture, strain from incorrect lifting, a quick twist, sagging mattress, overweight, or emotional tension. Outside of habitually faulty posture, strain from lifting is perhaps the worst offender.

That phrase "put your back into it" is particularly vicious, for it amounts to strain. Put your thigh muscles into the lifting, put your shoulder to the wheel, but keep your back straight and do not twist!

For example, in lifting something heavy from the floor, bend your knees and get as close as possible to the object, then lift straight up, keeping the upper back straight and letting the powerful thigh muscles and arm muscles do the work. Above all, do not twist as you lift. Sudden twists and quick turns cause trouble.

In shoveling or any similar action, take care to avoid twisting, straighten up, turn on the balls of your feet and toss dirt aside, instead of twisting your back. In weeding, shift your position to pull that weed at the side and do not strain if it is almost out of reach. In every task avoid twisting.

A good many back strains come from opening a window that is stuck. The wrong way is to stand away from the window, bend forward and lift. To avoid strain, stand as close to the window as possible so as to get your weight under it. Then push.

Check to see what tasks make you feel tired. In making a bed, do you feel a kink when you straighten up? Then you are reaching too far across the bed. Stand close to the bed so as not to reach out too far, make up one side, go around and make up the other side.

Check, too, and note which tasks result in a muscular ache at the finish—washing the dishes, paring the vegetables, sweeping, or cleaning the bathtub. Perhaps the sink is too high or too low. Have an extra platform fixed, or put a lift under your dishpan. Blocks under the legs of a work table, or shortening the legs may remedy the matter. In sweeping, keep the width of the sweep small, so as to avoid twisting your back. Don't over-reach in cleaning—shift your position.

If you do desk work, swivel the chair; don't twist your back. Think before you move, whether it's in turning to speak to someone behind you, in picking up something or in reaching—don't twist.

Why are we such weaklings that we have to be so cautious? Modern daily living doesn't afford sufficient muscle strengthening exercise to keep muscles in tone.

Send long, stamped, self-addressed envelope for illustrated exercise leaflet Get a Lift With Posture. Address request to Ida Jean Kain, care of The Winona Daily News. Post card requests cannot be answered.

Baltimore Zoo's Baby Kangaroo Makes His Debut

BALTIMORE (AP)—The first baby kangaroo in the history of the Baltimore Zoo made a brief public debut yesterday and a photographer-laboring above and beyond the call of duty—snapped his picture.

George Cook got his very candid shot from the neighboring cage, which normally houses a species of the genus papio, or baboon. Cook and Eddie Nolan, Sunnypers photographers, alternated for 18 payroll hours in the baboon cage waiting for the baby—or Joey, as they're called in Australia—to show his face. The baboon had been moved out.

The Baltimore Zoo's Joey is believed to be about 3 months old. The Joey—hairless, blind and only about an inch long at birth—stays fastened inside the mother's pouch until it is about 3 months old. Then it emerges little by little from the pouch—something like Junior venturing forth from the stage line at his first dance—and begins to nibble at the greenstuff his mom eats.

Late in April, someone thought they spotted activity a little south of Mrs. K's mid-section. Photographers waited that time for a shot, but got nothing.

Day before yesterday, Nolan and Cook decided the time had come. They set up their stake-out in the baboon cage. Nolan, taking the first watch, had just settled down in his chair with his camera and lit a cigarette when a touring group of school kids came by.

Nolan didn't have a chance. A fresh, young comedian yelled: "Hey, look at that baboon!"

The ordeal ended after Cook had waited for two hours yesterday. The Joey, looking more like a scared pup than a kangaroo, stuck his head out of Mama's pouch, then once more withdrew from the hurly-burly.

But Cook got his picture.

Pioneer State Dentist, Native Of Hokah, Dead

BLUE EARTH, Minn. (AP)—Dr. W. A. Demo, 86, oldest practicing dentist in Minnesota before his retirement in April, died at his home here this morning.

Dr. Demo, widely known in state dental circles and a civic and church leader here for almost 60 years, suffered a stroke shortly before his retirement but apparently was recovering. He played golf Sunday.

Born in Hokah, Minn., Dr. Demo worked his way through school, then taught school in rural Houston County to earn enough money to go through dental college. He was graduated from the University of Minnesota in 1895 and started his practice here the following year.

Dr. Demo was a member of the school board here for 30 years and superintendent of the Blue Earth Presbyterian Sunday School for the same length of time. He was a member of the American Dental Assn., the Minnesota Dental Assn., and the Southern Minnesota Dental Society. He had held office in both the state and district groups.

The jolly, chubby dentist worked early and late at his office here and was proud of the fact that many of his patients returned from various sections of the country for additional dental work.

Surviving with his wife are a daughter and two sons, Mrs. H. E. Bent, Columbia, Mo., and Dr. Robert Demo, Albert Lea, and Dr. P. W. Demo, who has been in the diplomatic service for many years.

Funeral arrangements will be announced later.

Thief River Falls Armory Dedicated

THIEF RIVER FALLS, Minn. (AP)—Thief River Falls' new National Guard Armory was dedicated to the "military, civic and social life of the community" Monday night.

Gov. Freeman said, "This Armory is dedicated not only to the military but for all that is significant in the community."

He asked the crowd of more than 600 witnessing the ceremony to take a look at either end of the spacious drill floor where hoops had been erected for basketball games. This, he said, illustrated the twofold purpose for which the building was designed.

It is in effect, he said, "the civic and military paying proper respect to each other."

"There are scoffers who thought Americans were soft," Freeman declared. "We are not. We are prepared and ready. We hope for peace. Nonetheless, we recognize that only from strength comes the confidence to deal in the world in which we live today."

The governor also paid tribute to the men of the Thief River Falls' National Guard company.

"One of the things that impressed me," he said after inspecting the unit, "is that many of these men are wearing battle stars and some Purple Hearts. They have served. Yet they are ready and prepared to serve again if God forbid, needed."

The occasion was Freeman's first official visit to Thief River Falls and also the first visit of a Minnesota governor to the city in 20 years.

The Armory, a brick and concrete block structure, was erected at a cost of \$300,000.

Earlier, the governor had flown to Detroit Lakes to address the annual meeting of the Wild Rice Electric Cooperative and to confer with the executive committee of the Minnesota Chippewa Council about pending Indian affairs.

Freeman also met with a farm group at Ogema and conferred here with city officials on highway problems.

Canadian Fined For Shipping Bad Fish Into State

MINNEAPOLIS (AP)—A Canadian fish wholesaler was fined \$40,000 Monday when he pleaded guilty to a charge of shipping contaminated fish into the United States illegally.

Gundmundur F. Jonasson, head of Keystone Fisheries, Ltd., Winnipeg, pleaded guilty to an 11-count indictment in connection with 10 carloads of wormy fish shipped to a Los Angeles smoking company.

Louis Vitale, president of the Los Angeles Smoking & Curing Co. and the firm itself were fined \$20,000. Judge Gunnar Nordbye announced that the government would consider its judgment satisfied upon receipt of the money from either Vitale or the firm.

George MacKinnon, district attorney, said the case involved more than 60,000 pounds of wormy whitefish, sent into this country through Minnesota ports of entry and labelled "bass" to escape customs inspection.

Homer Meeting Called on Ridge Cemetery Plans

HOMER, Minn. (Special)—Discussion of the history of the Homer Ridge Cemetery and pioneer Winona County residents buried there will highlight a public meeting June 23 at 8 p.m. at the Homer Town Hall.

Plans for the Winona County Historical Society's projected restoration of the cemetery will also be presented and musical entertainment and refreshments are also scheduled. There will be no admission charge.

Announcement of the special program came during a meeting of the Homer Town Board Monday night. A committee from the Winona County Historical Society appeared before the board to request re-surfacing of the road to the cemetery and that a fence be installed around the cemetery.

The board agreed to resurface the road with crushed rock this summer, but deferred action on the fence request until after the annual township meeting next March. The board also approved the society's request for use of the town hall for presentation of the June 23 program.

Members of the board attending the meeting were: Chairman Everett Larson, Lyle Chadbourne, Herbert Erickson, Mrs. Allyn Ramsden, clerk and Mrs. Nellie Fay Rohlfing, treasurer. The historical society was represented by Edward Curtis, chairman of the cemetery restoration committee, President L. J. Younger, Sec. Miss Leona McGill, Mrs. Frank Sheehan and Miss Mildred Sebo. Also attending were Mrs. Elmer Elman, Clinton Dabelstein and Mrs. James Dulek.

Picnics at Weaver End School Year

WEAVER, Minn. (Special)—The school term has ended in two area districts.

At District 72, a picnic was held for pupils, parents, and friends, last Thursday. The term ended Friday. Two first graders—David Churchill and James White—were hailed for perfect attendance and Sharon White and Gerald Putratz graduated from the eighth grade.

Mrs. June Grossnick, Winona, was the teacher.

District 93 ended its term Friday and held a picnic at the school Sunday. Mrs. Arthur Welch, Plainview, was teacher and has been hired to teach next year, when an enrollment of 12 is expected.

Smoking in Bed Costs Man Life

SPRINGFIELD, Minn. (AP)—Smoking in bed cost Marvin Stern, 24, his life.

Stern's body was found near a bedroom window by his father, Emil Stern. Bed clothes were smoldering.

Dr. O. B. Fesenmaier, Brown County coroner, said young Stern died of asphyxia from smoking in bed and had apparently tried to make his way to a window for fresh air before he collapsed.

Dr. Fesenmaier said death was accidental and there would be no investigation. The body was found Monday noon.

About 100 million acres—30 per cent of U.S. crop land—is used for corn each year.

Two-State Deaths

Mrs. Mabel Gaebelo

GILMANTON, Wis. (AP)—Funeral services for Mrs. Mabel Gaebelo, 62, lifetime resident of this area who died at the home of her daughter, Mrs. Melvin (Hazel) Plank June 2, were held Sunday at the Montana Evangelical United Brethren Church, the Rev. Leslie Pardon officiating.

Mrs. Gaebelo was born May 7, 1893 in the Town of Waumandee, the daughter of Mr. and Mrs. Jacob Thoeny. She was married to Otto Gaebelo March 3, 1910 and they lived in the Town of Lincoln. Her husband died June 4, 1947. She was also preceded in death by five brothers Jacob, John, Criste, Romeo and Alfred. Mrs. Gaebelo was a member of the Lincoln and Montana EUB churches.

She became seriously ill only a few days before she died.

Survivors are daughters Mrs. Plank and Mrs. Pearl Kindeschi; seven grandchildren; sisters, Mrs. Raymond (Eva) Schultz, Mrs. Linda Butler and Mrs. Paul Clunda.

Mrs. Bertha Bado

COCHRANE, Wis. (AP)—Funeral services for Mrs. Bertha Bado, 86, who died at Pepin Sunday, will be held Wednesday at 1:30 p.m. at the Christ Lutheran Church with the Rev. F. C. Nitz officiating. Burial will be in the Alma Cemetery. Friends may call at the Florin Funeral Home tonight and Wednesday morning or at the church from noon until the time of service.

Mrs. Charles Ives

WABASHA, Minn. (AP)—Funeral services will be held at 2 p.m. Wednesday at the Edstrom Funeral Home, 62, who died at St. Elizabeth's Hospital here Sunday morning.

The Rev. Orville K. Wold will officiate and burial will be in St. John's Lutheran Cemetery. Friends may call at the funeral home tonight and after 9 a.m. Wednesday. Mrs. Ives was born in Mazepa, July 11, 1892, the daughter of Andrew and Minnie Pomeroy. She was married to Charles Ives in Winona in 1920 and lived there until moving to Wabasha four years ago.

Surviving are: Her husband; two sons, Milton, Wabasha, and Robert, Genoa, Wis.; two daughters, Mrs. Robert (Phyllis) Pioski, Palo Alto, Calif., and Mrs. Earl (Barbara Jean) Mitzer, Virginia, Minn.; one brother, Ira Pomeroy, Red Wing; two sisters, Mrs. Fred Beckman, La Crescent, Minn., and Mrs. Clifford Brightwell, Minneapolis; and eight grandchildren.

Sleep-Walking Blamed in Death Of State Marine. LOS ANGELES (AP)—A young Sauk Rapids, Minn., marine walked out of a fourth floor hotel window in his sleep and plunged to death, police said evidence indicated today.

Death of Louis Bolinski, 21, known as a chronic sleep-walker among men at his Marine base, was classified as accidental.

Bolinski's body was found last Saturday on the hotel's concrete patio. He had been sharing the room with three other marines from the base at Twentynine Palms, Calif. None of them could explain how he fell.

Police Lt. E. L. Newton said scratches on the wall below the window indicated Bolinski struggled to keep from falling but woke up too late.

Efforts to Secure Home Movies Fail. LONG BEACH, Calif. (AP)—Drive-in theater proprietor Milt Arthur encountered a man with a shovel, trying to dig under his fence. The unidentified shoveler, pressed for an explanation, said he could see the giant screen from his nearby home, but the sound rarely came through. He said he was trying to hook a speaker wire onto one of the theater sound wires.

"Scram," said Arthur.

Caledonian Wins Soil Judging, Land Use Meet

CALEDONIA, Minn. (AP)—Irvin Plitzweit of near Caledonia won the annual Soil Judging and Land Use Contest sponsored by the Root River Soil Conservation District and the extension service at the Lawrence Wagner farm Monday.

Thirty-three contestants received information on how to judge color, texture, depth, amount of erosion, slope, and run-off. Following this each entered on his or her score card the above points as they visited three different pits. These pits were on different slopes with some variations in erosion, Harlie Larson, Houston County soils agent stated.

Each pit was judged as to good land use according to class of land. This included kinds of practices, such as terracing, contour strip cropping and pasture renovation; also as to need of lime, fertilizers, application of barnyard manure, waterways and other conservation practices.

Other winners were Leland Svehaug, second, and David Keefe, third. These along with the winner will represent Houston County at the state plowing contest at Rothsay, Minn., in September.

Those in the blue ribbon group besides the winners are: Arleigh Meiners, Donald Haugland, Larry Rostvold, Mark Witt, Ralph Storie, Reuben Lemke, Ivan Sandau, Rolf Jore, Myron Mathison, Ed Welsch, Robert Burtness, Elden Molitor and Herbert Amundson.

Other contestants were Betty Noskie, Gordon Sylling, Joseph Schieber, Kenneth Eglinton, Warren Sylling, Wayne Ranzenberg, George Laumb, Hayward Bentley, John Carlson, Gary Norgard, Fred Peterson, Greg Abnet, Eldon Monney, Jerry Burke, Lawrence Forde, Edgar Lemke and Donald Hanson.

James McManimon, chairman of the Root River Soil Conservation District Board of Supervisors, presented cash awards. Others cooperating were Harold Poeschl, Soil Conservation Service; George Schoen, Houston and Boyde Anderson, Spring Grove Vo-ag instructors; Ray Walker, Caledonia and Joseph Holger, Rushford, veteran instructors; Harold Karli, Preston, extension agent in soils; Wayne Hanson, Houston County agent and Larson.

Driver Thrown From Truck Fatally Hurt. MAYVILLE, Wis. (AP)—Fred Thieman, 37, Juneau, was injured fatally Monday when he was thrown from the gravel truck he was driving.

Dodge County authorities said that Thieman was thrown beneath a front wheel of the truck when it missed a curve on Highway 28 near here.

Indiana Youth Confesses Slaying. MINOT, N.D. (AP)—Sheriff C. J. Westlake said today the body of a Cornell, Mich. farmer, whose slaying was confessed here by a 20-year-old Indiana youth, has been found by Lansing, Mich. police.

Westlake said Lansing authorities notified him of the discovery of the body of Ernie Mattonon, 60, farmer near Cornell, Mich. He had been shot in the head with a shotgun.

Westlake said Bruce Kins, 20, Kokomo, Ind., talked to the Westlake home Sunday evening and declared he shot Mattonon during an attempted robbery at his farm June 2.

Westlake said he was informed a warrant is being issued by Michigan authorities charging Kins with murder. Kins, who signed a statement admitting the slaying, also signed an extradition waiver, the sheriff said.

Mayo Doctors Say Heavy Smoking Can Affect 'Voice Box'

ATLANTIC CITY (AP)—Evidence that heavy smoking may be associated with changes in the larynx, or voice box, was reported today by Drs. Robert F. Ryan, John R. McDonald and Kenneth D. Devine of the Mayo Clinic and Foundation, Rochester, Minn.

The most noticeable change was thickening of surface tissue in the vocal cords, they told the American Medical Association.

They said they first found the differences in post-mortem study of larynxes of three known non-smokers and nine smokers. In examining another 40 larynxes later, they were able to guess right in 31 cases whether the person had smoked or not.

The medical team said it did not find evidence of cancer in the larynxes of either smokers or non-smokers in the group studied.

Four County Taverns Refused Beer Licenses

The Winona County Board this morning approved re-issuance of 22 non-intoxicating beer licenses, allowed tax abatements for the current year and opened bids for the purchase of coal, calcium chloride and trucks.

32 beer licenses for the year beginning July 1 were approved for the following:

"On" Sale—The Winona Country Club and Martha E. Heyer, New Hartford Store.

"Off" sale—Theo. F. Fischer, Fremont, and Gordon F. White, Twin Bluffs Motel.

"On" and "Off" sale—Alfred A. Blumentritt, Ridgeway Store; Louis Papefuss, Riverview Tavern; Glen Chalmers, Nodine Tavern; Norman J. Gleiter, Hill Top Tavern; Thomas V. Griffith, Witoka Tavern; Doris A. Proksh, Log Cabin Inn. The Arches; Irene Nottemann, Riverside Tavern; Phil Blasen, Piekwick Inn; Rose Yarolimek, Freddie's Bar, Dresbach; Martin Polaski, Saratoga Store and Tavern; Anna Rolbiecki, Bass Camp; Rollingsstone Township; Alfred E. Halvorson, Ridgeway Store; Elmer Elmann, Wilson Store and Tavern; Henry Schwertfeger, Witoka Tavern; Joseph E. Woffram, Hart Store; James Du Val, Bethany Store; Donald A. Bateman, Moldenhauer Store; Nodine, and George H. Boysen, Wyattville Store and Tavern.

Re-issuance of licenses to four persons has been refused by Sheriff George Fort and County Attorney S. A. Sawyer who declined to sign the applications.

Included in the clamp-down were: Richard Campbell, Black Horse Tavern; Homer; Arthur Broring, Lamolite Tavern; Clayton Mosher, Once The Ship Tavern, Dresbach, and James Young, Beaver.

The latter, said Sheriff Fort to day, has been convicted twice within the past eight months of sale of 32 beer to minors and cannot be granted a license for five years.

The first three, said Fort, currently possess federal tax stamps for the sale of intoxicating liquor without possessing a state license for sale of same. Fort indicated that, after conferring with Sawyer, he and the county attorney would sign the three proprietors' applications for a beer license when their federal tax stamps expire June 30.

It will then be up to the county board to approve re-issuance of the license.

Tax Abatements
Tax abatements allowed this morning include:

Homestead classification with reduction in taxable value—Gordon Jensen, Dakota, \$2,380 to \$2,085; Vivian Johnson, 928 E. Broadway, \$1,580 to \$875; Marie L. West, 324 E. 5th St., \$1,450 to \$925; Susie F. Daniels, et al, 1159 W. Howard St., \$1,210 to \$755; Werner J. Rothering, 3 Fairfax St., \$260 to \$225; Willard Arthur Mueller, Utica, \$220 to \$122; Roy R. Kukowski, 972 E. 5th St., \$1,120 to \$710; Harlan Northouse, Winona R. 1, \$1,255 to \$775; Leona Paszkiewicz, 562 E. Sanborn St., \$550 to \$345; Bernard H. Stever, 879 E. Wabasha St., \$350 to \$855; and Robert Meyers, 805 E. King St., \$350 to \$240.

Reduction in taxable valuation for the current tax year on real estate—Philip A. Beardsley, 515 Huff St., \$2,130 to \$1,800.

Contracts on all bids received this morning will be awarded Wednesday, with commissioners adjourned this afternoon to attend funeral services for Vern Johnson, Plainview.

Webasha County commissioner, who died Saturday.

Coal Bids Received
The following bids were received on 425 tons of coal for use by the courthouse, county jail and county highway shop:

Western Coal and Supply Co., Winona, \$10.34 per ton on Franklin County, Ill., fuel and \$10.09 per ton on Saline County, Ill., fuel; and Doerfer's, Winona, \$10.39 per ton on Saline County, fuel.

Bids on 120 tons of calcium chloride for use by the county highway department were received from: Lyon Chemicals, Inc., St. Paul; Columbia Southern Chemical Corp., Minneapolis; Merchants Chemical Co., Minneapolis; and Material Supply Corp., St. Paul.

All four firms bid at \$27 per ton. The Owl Motor Company, Winona, offered the low proposal for purchase by the county of two new two-ton dump trucks with five cubic-yard boxes. The firm's bid was \$6,159.24.

Other dump truck bids received today included: Western Motor Sales, Winona, \$7,075; Eusermann's, Lewiston, \$6,820; Seifert-Baldwin Motor Co., Winona, \$6,199; Schultz Implement Co., Plainview, Minn., \$6,329.65; Winona Truck & Implement Co., \$6,499; and Vatter Motor Co., Winona, \$7,175.

Watkins Public Relations Program Wins National Award

The J. R. Watkins Co. of Winona today won the award for the most outstanding program in public relations in the direct selling industry for 1952-53 at the annual convention of the National Association of Direct Selling Companies being held in New York. The association is composed of the leading companies in the United States who manufacture and market their products and services direct to the home and the farm.

Judges were Ellis Haller, industrial editor of Wall Street Journal, Alfred Lasher, marketing editor for Tide magazine, John Morahan, business and financial writer for the New York Herald Tribune and Charles Sievert, advertising and marketing columnist for the New York World Telegram & Sun.

The Watkins company, established in 1858, is the oldest and largest institution of its kind in the world. It manufactures and distributes nearly 300 products through 15,000 dealers in every state and province in the United States and Canada. General offices and manufacturing plants are located here and other manufacturing

plants are in Montreal and Winnipeg, Canada; Melbourne, Australia; Christchurch, New Zealand; and Johannesburg, South Africa.

Among the projects which contributed to the winning of the award were the student and instructor education material printed by the company in its own printing plant and distributed without charge. These consisted of spice charts and vanilla beans, as well as thousands of booklets giving the outline for teaching soil conservation in the schools, compiled under the direction of the educational committee of the National Association of Soil Conservation Districts.

Other public relations activities of the firm which were considered in the award were the scholarships furnished to 4-H groups in the Midwest and the use of the company's DC-3 for transporting soil conservation officials to the San Diego national convention and to the international plowing contest held in Canada.

The company also made its plane available for transporting the Winona State Teachers College basketball team to some of its games.

Bingo Notice
Notice that bingo will be played this week during the showing of the Gold Bond Shows at Liberty and East 2nd streets was filed by the American Legion post.

Referred to City Attorney Harold Streeter for preparation of an ordinance was a letter from City Engineer W. O. Cribbs advising that the Minnesota Department of Highways has approved the city establishing a no truck parking area for 75 feet on the south side of West Main street immediately west of Huff street.

Bills approved amounted to \$22,228.01, and payrolls approved were distributed as follows: Band, \$241.50; treatment plant, \$472.94; streets, \$3,228.50; deputy assessors, \$300, and weed inspection, \$62.50.

Permission was given the Shell Oil Co. to erect a billboard on its service station property at 4th and Lafayette streets. It will be facing west, with its back against the Federal Bakery Co. building.

The Winona Junior Chamber of Commerce was authorized to park its stand at 3rd and Center streets Friday and Saturday to sell flags.

Estimates approved: Ralph Scharrer, courthouse parking lot contractor, third estimate, \$2,175.44; and Winona Plumbing Co., Pelzer and West 5th street storm sewer contractor, first estimate, \$7,428.32.

To Erect Stop Sign
Subject to the passage of an ordinance, traffic entering East Wabasha street from the north on Buchanan (west side of Gabrych Park) will stop. A stop sign will be erected. This was suggested by 4th Ward Ald. Joseph Karsina.

Referred to the city engineer for investigation was the request of 1st Ward Ald. Harold Briesath that consideration be given to widening of State street at its intersection with West 5th street. An alternative is to divert the street north of the street department garage to the street to the west of the garage. Some time ago preliminary work was done on this proposed project.

The Council determined that the \$2,515.45 it has received from the Winona Housing & Redevelopment Authority for payment in lieu of taxes for the year ending March 31, should be paid into the general fund and that checks should be drawn against the fund for the various taxing bodies and funds in proportion to the levies made for the fiscal year 1952-53. The alternative was to set up a special fund and write checks against it.

5 Volunteers Leave Preston
PRESTON, Minn. (Special)—Five volunteers left Preston this morning for the Minneapolis Indian Center for entry into the armed forces.

Six will leave Wednesday for pre-induction physicals. Those who left today are James A. Elton, James R. McCabe and Roger E. Stralow, Harmony, Richard L. Washburn and Ivan G. Termaat, Spring Valley.

Woodlawn Officers Re-elected

All officers and trustees of the Woodlawn Cemetery Association were re-elected during the organization's annual meeting Monday.

They are: J. Russell Smith, president; A. M. Oskamp, vice president; A. B. Youmans, treasurer; E. P. Bronson, secretary; and George W. Hartner Jr., superintendent and actuary. Re-elected to 3-year terms on the board of trustees were: John Ambrosen, K. A. McQueen and Youmans. Other trustees are: Smith, Oskamp, W. Gurney, F. W. Sawyer, R. J. Selover and Hannibal Choate.

Ambrosen and Selover were elected to the board last year to fill vacancies on the board created by the death of George R. Little and R. C. Hinz's move from the city. Bronson was named secretary succeeding Hinz.

During the business meeting, the association decided to open a new section of the cemetery, west of the garden type section. Construction will probably begin this summer, with two or three years required to settle the ground and build roads. The new section will accommodate about 412 burial lots of varied sizes.

The annual report noted that there were 146 burials in the cemetery during 1952, 22 less than in 1951. Total interments through Dec. 31, 1952 were 13,957.

Net income from sale of lots, after deducting 20 per cent for perpetual care, was \$10,028.88, as compared with \$4,198 during 1952. Eighty-five more grave spaces were sold last year than in 1952 and income from endowment, perpetual care and general reserve funds totaled \$8,495.35, an increase of \$1,296.72 over the previous year.

Total income during 1952 was \$47,563.87 with disbursements at \$45,788.30, resulting in a net balance of \$1,775.57 in over-all cemetery operation.

The report continued that the financial committee has been considering the possibility of investing perpetual care funds in other than U.S. bonds to increase income.

Expenditure for foundations and grave vault masonry was higher than in 1952, the report stated, adding that the association was again required to fill in graves which had sunk, necessitating the removal of the sod, filling the grave and re-sodding.

Some wage re-adjustments were made during the year according to the report, that noted that labor costs are becoming more of a problem.

The cemetery's greenhouse filled and set out a total of 1,779 pot vases, 50 iron baskets with liners, 67 iron and granite vases and 35 flower beds. A total of 276 bouquets were placed for Memorial Day and Mother's Day, 10 on Father's Day, 18 for anniversaries and 101 for weekly and semi-weekly bouquets.

Placement of winter decorations included 218 wreaths, 141 balls, 20 stars, four crosses, 48 grave blankets and one winter bouquet.

Plantings maintained in the cemetery are the Bible, three formal flower beds, five large flower beds, four vases on pillars of a bridge, a large vase in the park, two vases in section KK and two flower beds in section KK. Repairs on the concrete walk in section Y were made during 1952.

The association's report stated that three power lawnmowers were purchased during the year.

The report concluded that a recent ruling of the federal Department of Internal Revenue provides that "contributions made to the general fund of the cemetery company or corporation which benefits all lot owners, as well as contributions made to the cemetery company or corporation for the care and upkeep of a particular lot may be deducted by the donor under the provisions of section 170 of the Code of 1954, if the cemetery company or corporation qualifies as an organization referred to in section 170 (c) (5) of the Code of 1954."

The president thanked lot owners for cooperation in maintaining and operating the cemetery.

Teacher Family Starts Vacation

ZUMBROTA, Minn. (P)—Although vacations are starting, schools still are bound to be a main topic for conversation for the Currier family here, which runs heavily to the teaching profession.

Mrs. Ruth Currier, 47, is fifth grade teacher in Zumbrota; her daughter, Jean, 27 (Mrs. Lavern Ellendahl), teaches second grade in Stewartville, where her husband is assistant principal and mathematics instructor, and a second daughter, Phyllis, 25 (Mrs. Harry Deer), teaches kindergarten in North St. Paul.

Mrs. Currier's son, George, graduating this week from Wanamingo High School, is considering teaching as a profession. And Phyllis' husband is a student, of accountancy, at a St. Paul business college.

Currier himself operates the family farm of 120 acres just south of Zumbrota. His wife had retired from teaching after 1926 to raise the family but was lured back in 1945 when a shortage developed. She and her two daughters all won their teaching certificates from Winona State Teachers College.

Texan Jaycee Honored, Suspended From Police Force

HOUSTON, Tex. (P)—Texas J. Foster, named one of the nation's 10 outstanding young men by the U.S. Junior Chamber of Commerce in 1952, has been suspended from the Houston police force.

Police Chief Jack Heard said the 29-year-old policeman was suspended indefinitely for "conduct unbecoming an officer." Foster said he will appeal to the city Civil Service Board.

He was honored by the Junior Chamber for his undercover narcotics investigation among Texas teenagers.

Heard relieved Foster after a fellow officer was wounded slightly in a shooting at a woman's home. Foster said the shooting was accidental. Heard quoted the officers that they had been drinking and the shooting climaxed horseplay during a social call.

Teen Dance Set For West Center

The first of a series of teen dances scheduled on the Park-Recreation Board's summer program will be held at the West Recreation Center Monday from 7:30 to 10:00 p.m.

Sandra Mahke, the center's teen club hostess for the dance, Louis Schuch and his orchestra will play. Orchestras are provided through the courtesy of the Winona Musicians' Association and the National Federation of Musicians.

Adults as well as children are invited to attend the showing of free movies at Lake Park Bandshell. They start Monday, June 20, at twilight. The movie title will be "Big Trains Rolling" with a Walt Disney cartoon—"Clock Cleaners"—and the film "41,000 for Recreation" from the Minnesota Youth Conservation Commission.

Divorce Granted Mrs. Mariel Low

Findings for the plaintiff were ordered in District Court this morning in a divorce action brought by Mrs. Mariel Low, 47, Homer, against Loren H. Low, 44.

Mrs. Low, who was represented by David Bird, Minneapolis, sued on grounds of cruel and inhuman treatment. Her husband did not contest the action.

The couple was married at Homer Dec. 25, 1951.

Guardsmen Leave Sunday For Ripley

Winona's National Guard company A will leave Sunday for the annual two week summer encampment at Camp Ripley, Minn.

The truck convoy and several cars will leave Winona about 7 a.m. carrying about 80 men to camp. The unit is commanded by Capt. Lucian Grupa.

Friends and relatives of the guardsmen are invited to visit the camp June 18 and 19. Gov. Orville L. Freeman will view troops of Minnesota's 47th "Viking" Division June 18.

Among events scheduled during the encampment are a 3-day bivouac, rifle training, marksmanship and a security guard assignment.

The men will return to Winona June 26. The camp is about 223 miles northwest of Winona and 11 miles north of Little Falls.

Other officers who will make the trip are 2nd Lieut. Allan Osborne, executive officer, and 2nd Lieut. David Lueck and Robert Haskins, platoon leaders.

Scheele Discloses What Went Wrong With Salk Vaccine

BY ALTON L. BLAKESLEE
ATANTIC CITY, N. J. (U)—U. S. Surgeon General Leonard Scheele today disclosed what went wrong with the Salk polio vaccine, including some errors and problems in safety testing it.

But he said the program now is getting back on the safe track, that more vaccine will be forthcoming under stricter rules, and that widespread use of the vaccine can be expected to prevent "a high percentage of paralytic polio cases, especially in children 6 to 9."

Disclosing the inside story in all the confusion of the last few weeks, Scheele said one error was that manufacturers had not reported catches which were found to be bad.

They had only reported their successful batches, and not sent reports or protocols on those in which live virus had been found. Thus the picture was not complete as to whether the vaccine manufacture was going ahead perfectly.

Speaking to the American Medical Assn., Dr. Scheele said the control procedure under which the government was licensing vaccine "had failed to provide adequate assurance of this total experience, with its inconsistencies in the behavior of a new and complex product, now being dealt with in large-scale production."

In the case of Cutter Laboratories' vaccine, he said, the government is still studying "the extent to which unique problems might account for the probable presence of active virus in some lots of Cutter material."

He declared vaccine made by four manufacturers "has been used in approximately five million children in 1955 with no untoward results."

Of 114 cases of polio reported in vaccinated persons through May 31, he said 79 were associated with Cutter vaccine, used in about 409,000 children.

This gives an attack-rate of 17 cases per 100,000 in one month following Cutter vaccinations, but the rates among children getting other vaccines was only one per 100,000 or even less.

It's generally agreed, he said, that some cases of polio may be expected to occur by coincidence after vaccination.

He said studies "support the hypothesis that the excess cases among individuals vaccinated with Cutter material resulted from the use of vaccine containing infective virus."

These Cutter cases developed in a range from five to 20 days after inoculation, and three-fourths occurred six to 14 days after vaccination. This corresponds to the comparable incubation period in monkeys given shots of living virus.

Turning to difficulties encountered in manufacture and testing of vaccine, Dr. Scheele gave this account of recent findings:

That safety tests were not devised really to detect small amounts of residual living virus which might have been left when the virus was killed by mixing it with formaldehyde and heating it.

Virus particles might have escaped being killed because they had clumped together, or there was not uniform mixing of the fluid—it wasn't in a sense, homogenized.

Theoretically, he said, the treatment should have reduced the amount of living virus to a harmless level. But in actual practice "it was quite apparent that different standards of acceptability as regards the possible presence of infective particles have been incorporated in the processes by different manufacturers."

"This variation stems from the erroneous assumption that the volumes used in the tests should be directly proportional to the total volume tested. Routine testing on such assumptions would not provide a reasonable assurance of the absence of live virus in the finished vaccine."

Trempealeau Home Damaged by Fire

TREMPEALEAU, Wis. (Special)—The new fire siren was used here for the first time Saturday evening when it sounded the alarm for a fire at the Forest Everett home.

A motor on the refrigerator there became overheated and fire spread onto a wall. There was extensive damage from smoke and water, according to reports.

Farmers Mutual Meets at Plainview

PLAINVIEW, Minn. (Special)—The 66th annual meeting of the Plainview Farmers' Mutual Fire Insurance Co. was held here Saturday. It reports \$25,306,277 of insurance in force as of Jan. 1, more than a million dollars over a year ago.

Harry Koepsell, Elgin, Ervin Maus, Rollingsstone and Wright Miller, Plainview, were re-elected to three-year terms on the board of directors. Present officials were all returned to office in a reorganization session which followed.

Charles A. Howard, Zumbro Falls, is president; Walter Baldwin, Plainview, vice president; Miller, treasurer and Mrs. Margaret Norton, Millville, secretary.

Mrs. Norton made the following statement in her annual report: \$35,195.57 was paid for fire loss in 1954; \$48,062 paid in total disbursements for the year; \$6,284,966 the amount of insurance written or increased in 1954; \$5,246,483 in insurance cancelled or expired; \$133,828 in cash and investments at the end of 1954.

Bicycle Safety School Saturday

Forty-seven juvenile bicycle owners who have records of two or more bicycle safety violations have been instructed to report for the first of a series of police-sponsored bicycle safety schools here Saturday.

The class will be held in the community room of the City Building.

The recently acquired bicycle safety film, "Drive Your Bike," will be shown and Sgt. Edward L. Hittner will discuss bicycle and traffic safety.

Similar classes for bicycle safety violators will be held throughout the summer.

Picnic Held for Homer Students

HOMER, Minn. (Special)—For the fifth year in a row, it rained on the day of the Homer School picnic. It was held Sunday during intermittent showers.

Festivities were held indoors with Mrs. Rudy Dietrich directing recreation. David Kiral, son of Mr. and Mrs. William Kiral, Winona, played accordion selections during lunch and in late afternoon, a game of softball was played.

School closed Friday. Attendance certificates were awarded to Richard Ebert, Jean Bernice Graves, Gloria Sifferath and John Graves. Library awards were received by all 14 pupils in the school.

Sixth graders Harold Teasdale, Randy Dietrich and Polly Kay Carpenter were given certificates promoting them to the seventh grade. They will attend school in Winona next fall. Mrs. Charles Mettelle will return to Homer for her second year in September.

Two Fillmore Mishaps Probed

PRESTON, Minn. (Special)—Fillmore County sheriffs investigated two highways accidents Monday afternoon, neither causing serious injury.

Sheriff Donald Cook reported a sideswiping mishap on a narrow bridge on a township road five miles southeast of Spring Valley.

Mrs. Edna Spears, 49, Wykoff, and Mrs. Clarence Prohaska, 31, Spring Valley, were the drivers. Their vehicles were both damaged an estimated \$200. No charges were filed.

The accident occurred about 6:30 p.m. Mrs. Spears was headed north, Mrs. Prohaska, south.

Deputy Neil Haugrud investigated a crash at the junction of highways 44 and 52 at 2:30 p.m. in which a New Ulm car was struck from the rear by another driven by Clement Snyder, 53, Canton.

Mr. and Mrs. Herman Seebenbrunner, New Ulm, complained of neck injuries and were treated at the scene by a Mabel physician. Snyder was unhurt.

Damages to the Seebenbrunner car were estimated at \$400 and to the Snyder car at \$200. No charges were filed.

School Petitions Get Approval of Commissioners

Three school hearings were disposed of in less than three minutes by Winona County's board of commissioners Monday.

Unanimously allowed after no person presented himself to oppose the moves were:

• A petition from the school board in District 68, Fremont Township, asking that the district be dissolved and attached to consolidated District 22 at Lewiston.

• A petition from Wayne F. Evans, Alice L. Loecherer and Mildred A. Gutschmann, asking that their land in District 82, Wabasha County, be set off and attached to the independent consolidated district at Plainview.

• A petition from Robert C. Foster, asking that his land in District 82, Wabasha County, be set off and attached to the Plainview district.

Denied was a request from a Winona Township official who sought additional surveying on property which lies immediately upon the township-city of Winona boundary line.

Though not present to make his request, Dave Morrissey, township supervisor, had requested Board Chairman Ray G. Kohner to propose the move to other commissioners.

Acting Officially

Morrissey asks that the county run a survey on property owned by Philip A. Baumann, Glen Mary, to determine how much of Baumann's home lies within the township and how much within the city of Winona.

Morrissey, acting in an official capacity for the township, indicated the survey might show that more of Baumann's home should be assessed to Winona Township, subsequently resulting in a greater share of Baumann's taxes going to Winona Township.

In 1934, Baumann's home was assessed 30 per cent to the township and 70 per cent to the city, with his land assessed on a 50-50 basis by the two units.

Commissioners, after consulting County Attorney S. A. Sawyer, denied the surveying request on the grounds that the situation was a tax problem between the city of Winona and the township and as such should be settled by those two bodies.

In other action Monday, commissioners:

• Approved contracts and bonds on bids accepted during their May meeting.

• Approved a request from Deputy U. S. Marshal Charles E. Morrison, St. Paul, for housing of federal prisoners in the county jail at a daily rate of \$2, the county to furnish ordinary medical care.

• Accepted monthly reports from the county's service officer, nurse, extension service and physician.

Wants Lease Renewed
A letter from the Keller Construction Co., 263 W. 3rd St., asking that their three-year lease on office space in the county highway shop be renewed, was placed on file. The firm's lease expires Aug. 1.

County Engineer Gordon Fay was authorized by the board to enter into an agreement with the state of Minnesota for spraying of leafy spurge on the Carl Schultz farm, which lies on the old Minnesota City road.

County workers will do the work for the state at the following rates: Sprayer rental, \$2 per hour; sprayer operator, \$1.50 per hour; assistant to the operator, \$1.50 per hour, and mileage, .075 cents per mile.

In final action Monday, commissioners (by resolution) asked state Commissioner of Highways M. J. Hoffmann to make final payments of federal aid secondary estimates on state aid roads 1, 2, 7, 22 and 29.

The work, involving bituminous surfacing, was completed last summer on a matched federal aid-county funds basis.

Commencement At Wykoff

WYKOFF, Minn. (Special) — "Old Loyalties in a New Day" was the theme of the commencement address by Supt. of Schools Harvey D. Jensen during ceremonies here Friday night.

Diplomas were presented by Supt. E. S. Chambers and salutatory remarks were by Jacqueline Hingeveld. Co-valedictorians Rose Marie Kohlmeier and David Meisner also spoke.

Meisner also received the American Legion award from Lawrence Westphal while Mrs. Donald Schultz presented the American Legion Auxiliary award to Rose Marie Kohlmeier. The salutatorian and valedictorians also received scholarship awards.

Members of the graduating class are: Wayne DePope, Janice Eickhoff, Lyndon Grabau, Yvonne Hendrickson, Jacqueline Hingeveld, Lynn Kidd, Roland Kohlmeier, Rose Marie Kohlmeier, Julianne Lien.

David Meisner, LaRae Mackey, Harold Meyer, Melvin Meyer, Omri Moon, Eugene Mulhern, Carol Murray, Kenneth Nash, Dorothy Sikkink, Chuck Sandie, Barry Schroeder, David Schriver, Mary F. Sander, Margie Vehtenkangas, Billy Vrieze and Edward Zimmer.

Rev. Rekstad Cites Possibilities for Phelps Graduates

"All the possibilities we see in you tonight will be fulfilled if you continue to grow in all ways—mentally, morally, spiritually, structurally," the Rev. Harold Rekstad of the First Congregational Church, Winona, told graduating ninth graders of Phelps Laboratory School, Winona State Teachers College, Monday night at promotion exercises in Somen Hall.

He urged the graduates to distinguish between knowledge and wisdom. "It is one thing to get the facts and another thing to know what to do with them; we need to know how to apply facts—or knowledge."

He urged them to learn to distinguish between right and wrong, and to learn to take trouble as it comes. He said that spiritual resources were needed—hope, faith, trust in God—to keep one strong and confident during difficult times. "It is courage and faith that enables a person to go on and live a full life in spite of trouble that may come," he said.

He recommended adherence to good health laws for proper and necessary physical growth.

Throughout his talk to the graduates he illustrated his points with examples of great men from history. "You will only be a partly developed person," he concluded, "if you do not grow in all ways."

The Rev. Mr. Rekstad was introduced to the audience and graduates by Daniel B. Hoy, junior high school principal. Hoy welcomed the parents and friends and presented the class to Joseph Knopp, who in turn presented certificates of promotion to the class. Knopp, a member of the school board of District 82 from which a large proportion of the class comes, spoke briefly to the graduates, commending them on their progress and recommending that they continue their education.

"You have had a very good beginning," he pointed out, "are much better with a good education."

Seventh and eighth grade girls, under the direction of Miss Georgia Garlid, music supervisor, furnished the music during the evening. Special parts were taken by Judy Smith, Marlene Bauer, Diane Schultz, Joan Brennan, Ann Fishbaugh, Judy Robinson, Josephine Reed, Sylvia Wedul, and Barbara Rogers. Drucilla Chaball played flutes obligatos with two of the numbers.

The program concluded with the singing of an original farewell song written for the ninth graders by the seventh and eighth grade girls.

A reception in the Somen social room followed the exercises.

VOICE of the OUTDOORS

Nice Catfish
Dick Sadler, 462½ Center St., got six catfish like the two he is holding in the above picture, in less than an hour's fishing below the Winona dam Saturday morning.

They averaged about six pounds each, and provided plenty of excitement on the light tackle Dick was using.

Tom Buscovick, 523 E. 5th St., however, must be credited with the fish of the week. Tom got a six-pound 12-ounce walleye Sunday while fishing below the Whitman dam, according to entries at the Sportsman's Tap and Hurry Back. Tom, it will be recalled, was our fisherman of the year a couple years ago. He is one of the top walleye fishermen of the area.

Other fish ran small during the week. Biggest northern entered was a two-pound 12-ounce one, jockeying put in the contest by Art Sil of the Taproom. Paul Masunda, 103 W. 5th St., entered a four-pound one-ounce largemouth, and Bill Harbers, 864 W. 5th St., a two-pound 12-ounce trout caught in Pine Creek.

Generally speaking, river fishing was slow over the weekend. Some of the better local walleye fishermen came back from the foot of Lake

Former Utilities Magnate Succumbs

CHICAGO (AP)—Harley L. Clarke, 73, former president of the 400 million dollar Utilities Power and Light Corp., from which he resigned in 1930, and also once prominent in motion picture and real estate enterprises, died Friday, it was disclosed yesterday.

The longtime utilities magnate had a spectacular career in finance and his utilities power and light held direct control of 50 subsidiary companies. The firm which he founded before World War I spread into more than 500 cities in the British Isles, four Canadian provinces and the United States.

In 1930, with a group of associates Clarke gained control of the Fox Film properties, but in 1932 they went into receivership. Clarke's retirement from the presidency of his utilities corporation occurred at the behest of Atlas Corp., New York investment trust, which prior to 1936, had gained a dominant position in the company's control through purchase of certain securities, Floyd B. Odum was head of the Atlas Corp.

Ardell C. Paulson U. of Dayton Grad

WHITEHALL, Wis. (Special)—Ardell Chilton Paulson, son of Gilbert A. Paulson and brother of Mrs. Vernon Nehring, Whitehall, received his degree of bachelor of science in education at commencement exercises at the University of Dayton, Ohio, Saturday.

Gilbert Paulson attended the program, going to Dayton last Thursday and returning here Monday. Ardell, graduate of Whitehall High School and World War II veteran, plans to attend summer school there, working toward his masters degree. He will teach in one of the Dayton schools next year, planning to start with the fourth and fifth grades. His wife and their daughters, Amanda and Kristie, also attended the commencement.

Gilbert was present at a banquet for graduates Saturday evening and at other activities connected with commencement.

State Farmers Warned Of Grasshopper Threat

ST. PAUL (AP)—T. L. Aamodt, state entomologist, said Monday the worst grasshopper threat since the early 1930s is building up in Minnesota.

He said the hatch is heavy and practically complete in northwest counties and that weather has been favorable for hoppers.

Infestation is "severe" in parts of Otter Tail, Douglas, Grant, Wilkin, Norman, Mahanomen and Polk counties, he said, urging that farmers get into their fields to find out whether control measures are needed.

Pepin with limits Sunday. The water was clear there although the lake was rough and not inviting.

Backwater fishing for panfish was also slow over the weekend at most points along the river. Gate adjustment pulled the water down in the headwaters of the pools. However, the flow in the river continued to drop. It was down to 26,000 cubic feet per second at the Winona dam Monday.

The river in this area was still cloudy Monday. It had cleared some since Sunday, and unless heavier rains come over the river, or some of the nearby tributaries, it should be clear and fishable by midweek. The gates of the dams were lowered slightly Monday afternoon which should cause the headwaters of the pools to rise slightly. Without any rains, it will be a week before a stable pool is again established.

Nesting Ducks
Ranger reports for the present week tell of your woodcock appearing in the backwaters of the pools, or in areas of cover, indicating that a good percentage of the hatch of woodcock is now probably on the water.

Woodcock, of course, predominate the hatch of ducks locally. There is a limited number of mallards reared with-

Dance Revue Set at Whitehall

WHITEHALL, Wis. (Special)—Twenty children from Whitehall, three from Blair, one from Pigeon Falls and one from Independence, who have been taking dancing lessons at a school opened here in January, will give a revue called "Whitall Folies of 1855" at the city hall Friday, June 10, at 8 p.m.

Betsy Mattson, Diane Briggs and Joan Rasmussen will present "Waltz Baller" and a tap number; Charles Warner, Robert and Jane Baughman, Juanita Knutson, Donna Shepherd and Jean Kulig will perform "Fuzzy Wuzzy Was a Bear" and "My New Hat"; Susan Ivers, Kay Van Gorden, Sheila Rasmussen, Jane Iverson, Kathy Rice and Georgia Briggs will dance "Mister Sandman" and "I Have Learned a Ballet Dance"; and "Chocolate Ice Cream Cone" and "Bessie With a Bustle" will be presented by Diane and Danny Shepherd, Anne Lamerson, Dany Bergum and Susan Bollinger, Whitehall, Stephanie Beaty, Rosemarie Elland and Kim Sather of Blair, Ranae Fremstad of Pigeon Falls and Kathy Quillan of Independence. Danny Shepherd will do a solo in the latter number.

In addition to the above, there will be eight numbers from the Arcadia class, which opened last fall, 12 numbers from La Crosse and Winona, and a performance by the national champion Twirlersettes of Winona.

The children have been instructed by Dick Schultz in tap dancing, and June Paul in ballet and toe dancing. Both are instructors with the Sylvia Cobb School of Dancing, Winona.

N.Y. Garment Center Busy With Buyers

By DOROTHY ROE
AP Women's Editor
This is old home week in New York's garment center—the time when the buyer from Kansas City meets the buyer from San Francisco, and the one from Des Moines catches up on gossip with another from New Orleans.

Twice a year, in June and November, buyers from all over the country pour into four square blocks in the heart of Manhattan, making a traffic jam in streets, elevators and showrooms that's a wonder to behold.

By next Monday some 10,000 visitors will be scurrying through showrooms in the garment center, bulging notebooks in hand, choosing the

It's a Long Wait for Teams Expecting Brooklyn to Collapse

By ED WILKS

The Associated Press

It's about time the rest of the National League gave up the idea of waiting for the Brooklyn Dodgers to collapse. Brooklyn can't lose for winning.

Take last night. All their right-handed power had been limited to four hits in eight innings by a

southpaw rookie named Luis Arroyo and the St. Louis Cardinals had a 4-3 lead going into the last of the ninth.

When Gil Hodges led off with a walk, Manager Walt Alston couldn't decide whether to have Jackie Robinson lay down a sacrifice bunt and go for a tie or have him swing away and go for broke.

Alston flashed the "bunt" sign, but Robbie fouled off the pitch. Alston switched to the "hit" sign then, but the pitch was wide and Jack watched it go by. So Alston changed back to the bunt strategy. But Robinson again fouled it off.

It was hit or nothing then. Alston wasn't bunting on the third strike. So what's Robbie do? He smacks

the next pitch into the left field seats and Brooklyn wins it 5-4. And just like that, they're eight games up on the runner-up Chicago Cubs, who were idle like most of the other teams.

The only other National League action was at Philadelphia. The Milwaukee Braves stayed a half game behind the third-place New York Giants by whipping the Phils 5-2 after Philadelphia had wrapped

up a 4-2 triumph in the three-inning completion of the suspended second game in Sunday's double-header.

In the American, the New York Yankees made hay on the slack schedule, bombing Detroit with home runs 7-5 for a 4½ game lead.

Rain postponed the only other game, Washington at Kansas City. The Brooks battled back from a 4-1 deficit with two runs in the

sixth, one on a leadoff homer by Pee Wee Reese. Clem Labine held the Cards hitless over the last two innings for the victory after he had tagged Billy Loes, Tom LaSorda and Russ Meyer for 10 hits.

The Yanks counted all their runs on homers. Eddie Robinson hit a pair, each good for two runs. Billy Hoelt lost his third in eight decisions.

Rookie Johnny Kucks was the

winner, but claimed his fifth success only after Jim Konstanty put down a two-run Tiger rally in the ninth. Able Al Kaline, who has hit in all but four of Detroit's 49 games, homered with none on in the seventh to run his current hitting string to 14 games.

At Philadelphia, Ed Mathews continued to look like anything but a guy who just had an appendectomy. He hit his third homer in

two days, a two-run job, as Bob Buhl picked up his second victory. George Crowe also homered with one on for the Braves, who scored the winning run off loser Dave Cole in the third on Bobby Thomson's sacrifice fly.

In the completion of Sunday's interrupted game, the Braves scored twice in the eighth, but the Phils coasted in on their four runs in the third.

Mathews Adds 4 Homers During Philadelphia Series

PHILADELPHIA (AP)—The improving Milwaukee Braves, having taken four of five games against the Philadelphia Phils, move on to battle the New York Giants at the Polo Grounds tonight (6 p.m. CST) in a battle for third place in the National League.

The Braves will open the three-game series by sending Chet Nichols (4-3) against Johnny Antonelli. Eddie Mathews and George Crowe blasted two-run homers and Bob Buhl hurled a fine four-hitter as the Braves downed the Phils 5-2 Monday night. Before that game, the Phils wound up a suspended Sunday twin bill nightcap with a 4-2 victory.

Billy Bruton walked to open the regulation game. After Johnny Logan grounded out, Mathews lapped a homer over the rightfield wall to score Bruton. It was the

third homer in two days for Mathews, who underwent an emergency appendectomy in Milwaukee May 18, and brought his season total to 11. Mathews counted four round trippers in the five-game series with the Phils.

Philadelphia bounced back in the same inning for both its runs when Richie Ashburn singled, Earl Torgeson forced Ashburn and Gran Hamner walked. Del Ennis singled to score Torgeson and move Hamner to third. Jim Greengrass flied to right field to score Hamner. Buhl settled down and the Phils never had a chance thereafter as Buhl held them to two puny base hits and fanned six. Although he walked six, he always had the needed big pitch.

The Braves picked up another run in the third when Bruton singled. Logan fouled out and Dave

Warmer Weather Perks Up Milwaukee Pitching Staff

PHILADELPHIA (AP)—The warmer weather has perked up the Milwaukee Braves pitching staff.

After Bob Buhl's 5-2 triumph over the Phils Monday night, pitching coach Bucky Walters commented "We've been in a refrigerator ever since leaving Florida. It was cold on our last home stand and on the two eastern trips."

"But see what a little warm weather has done for us. Warren Spahn, Lew Burdette and now

Buhl go all the way. Ernie Johnson did a beautiful relief job Sunday."

"Now if only Dave Jolly can snap out of it and do the same thing he did for us in the bullpen last year, we're on the way."

Walter said of Buhl: "He has all the equipment to be a big winner. All he has to do is get by the early innings. That kid's been pitching in bad luck all season."

Eddie Mathews was figured to be out of the lineup for at least a month following removal of his appendix. But he fooled nearly everyone by taking his first workout one week after surgery. He drew an intentional walk as a pinch hitter less than five days after that and in four more days he went back as a regular. Mathews has a two-year contract that expires through 1956, the only Braves whose contract extends beyond this season. He could have taken things easy this season but he didn't.

The Braves did well at the gate here, drawing 38,073 in four days. Phil's General Manager Roy Hamer declared, "No team should be scheduled in any city four days in a row. The fans want a change."

Mathews Finds Hit Slump Cure

PHILADELPHIA (AP)—Eddie Mathews has found a new cure for a batting slump—have your appendix removed.

Since rejoining the Braves after an appendectomy May 18, the 23-year-old third baseman has returned to the slugging form that made him one of the major league's most feared hitters in 1953 and 1954.

Before his operation, he was hitting below .240 and had just six home runs.

Since returning May 30 as a pinch hitter, he has clouted five home runs in six games and has driven in 10 runs while raising his average to .260. Last night his first-inning two-run homer sent the Braves off in front in a 5-2 win over the Philadelphia Phils.

At his present clip, Mathews would easily top his 1954 homer production of 40 and could surpass his 1953 total of 47, high for the majors that year.

The strapping third baseman's return to the lineup has had an immediate effect on the Braves, who until recently have failed to show their expected form. In the five-game set just concluded with the Phils, the Braves won 4. It brought their season average to .500 and put them just half a game behind the third-place New York Giants.

Mathews has been in the regular lineup since last week and shows little evidence of the operation.

Bosox' Agganis Lost Indefinitely

BOSTON (AP)—First baseman Harry Agganis is lost to the Boston Red Sox indefinitely because of his second attack of virus pneumonia in less than a month.

Dr. Eugene E. O'Neill said Monday that Agganis is suffering from pneumonia in the left lung. He said Agganis apparently ruined things in returning to action two weeks after being stricken with virus pneumonia in the right lung May 16.

Merentino Eyes La Bua Return Go

NEW YORK (AP)—Rafael Merentino, a 26-year-old Argentine with dynamite in his right hand, is going to get a chance to avenge his only American defeat.

The South American had no more than knocked out inexperienced Hardy Smallwood of Brooklyn in the second round at St. Nicholas Arena last night than matchmaker Rex Sullivan said Merentino had agreed to a return match with Jackie La Bua in the same arena July 11.

La Bua originally was slated to be Merentino's opponent last night but he cracked a rib in training. Smallwood was substituted in the nationally televised bout, scheduled for 10 rounds, but was no match for Rafael. He was counted out at 2:36 after taking an automatic eight count earlier in the round. Merentino weighed 160½, Smallwood 157.

"I had him just as the bell rang for the end of the first round," said Merentino, "but he got away from me."

New Faces May Change Lineups Of All-Stars

Mantle Only 1954 AL Member Now Barring Over .300

By JOE MOOSHL

CHICAGO (AP)—Balloting for the 1955 All-Star baseball game begins Friday and already it looks as if some of last year's stars will have trouble making the team.

The American League won last July at Cleveland with a three-run rally in the eighth inning for an 11-9 victory, giving the junior league a 13-8 edge in the series. It was a powder-puff single off the bat of Chicago's Nellie Fox which scored the tying and winning runs.

The voting, to be conducted under the sponsorship of the Chicago Tribune and a record 761 other newspapers and radio stations, ends July 1. The game will be played at Milwaukee July 12.

What the players have done so far this year and what they do this month will go a long way in determining the starting lineup, decided by the vote of the public.

It's a cinch not all of the players who started last year will be in the lineup this year.

For example, of last year's American League starters, only Mickey Mantle of New York is hitting over .300.

Al Rosen of Cleveland and Ray Boone of Detroit, playing first and third, respectively, have been plagued by injuries and slumps. Rosen was instrumental in last year's triumph in slugging out two home runs.

Minnie Mino, a beaming victim, is nowhere near his 1954 clip when he started in left field. His Chicago teammate Chico Carrasquel will have trouble regaining the shortstop post.

Detroit's Harvey Kuenn, one of the league's leading hitters, is certain to poll a lot of shortstop votes.

And the sensational start by Detroit's Al Kaline is certain to land him on the team if not the starting lineup.

The National League might field a similar lineup in that enjoying good starts.

Roy Campanella and Duke Snider of Brooklyn will get a good share of votes as will Ted Kuszewski, Cincinnati's muscle man. But it's a good bet that Ray Jablonski, last year's third baseman, will not make the team. Ray has not even been playing regularly for Cincinnati.

Al Dark, New York shortstop, and Grady Harner, Philadelphia second baseman, will get stiff competition from Chicago's Ernie Banks and Red Schoendienst of St. Louis.

Stan Musial, last year's right fielder, will have to compete against Kuszewski since the Cardinal star is now playing first base. There could develop one of the poll's tightest races.

It'll be up to New York's Leo Durocher, National League manager, and Cleveland's Al Lopez, American League manager, to determine the starting pitchers.

Mill City Team Favored in Track

MINNEAPOLIS (AP)—Outstate schools tried again today to crack the Twin Cities' monopoly on state high school track championships. But Minneapolis Southwest was almost the unanimous favorite to win.

Southwest's strongest opposition was expected to come from defending champion St. Paul Central and Minneapolis Roosevelt, Albert Lea, Hopkins and Robbinsdale.

But International Falls sent into the meet at the University of Minnesota a crack 880-yard relay team which already has approached the meet record of 1:31.5.

The Falls relay crew is made up of Joe and Jim Croty and Larry Domish, regular backs on the unbeaten Bronco football team, and Ward Himes.

Another strong outstate challenge was presented by Duluth Denfeld, which qualified 10 men for the meet.

Top Stars Fail To Qualify for National Open

By ED CORRIGAN

The Associated Press

The big-name golfers who will be missing from the United States Open Championship this year could start a major tournament of their own.

Dutch Harrison . . . Ralph Guldahl . . . Bobby Knowles . . . Skee Riegel . . . Bob Toski . . . Dick Chapman . . . Jay Hebert . . . Fred Wampler.

They're all on the outside looking in as a result of yesterday's qualifying round. The U.S. Golf Assn. cut the list of exempt players severely this year with the thought in mind of giving the run-of-the-mill shotmaker a better chance of qualifying.

Only 17 players were exempt this year, which meant that most of the top stars had to take their chances on having a bad day.

Many got through, of course. Chandler Harper, of Portsmouth, Va., toured the Columbia Country Club course in Chevy Chase, Md., in a stalling 67-67—134 to lead the 125 qualifiers who tried their luck on 23 courses in the United States and one in Hawaii.

Others who got under the wire included Wally Ulrick, Frank Stranahan, Wally Burkemo, Billy Maxwell, Art Wall, Dave Douglas, Ted Kroll, Johnny Palmer, Doug Ford, Bo Winingar, Claude Harmon, Jack Burke and Porky Oliver.

The San Francisco section, with a bumper crop of 245 aspirants, won't finish until today. There are 20 spots allotted San Francisco, where the tournament will be held June 16-18.

Byron Nelson, 1939 champion and one of the greats of U.S. golf, is trying a comeback and going into the second round, he was No. 14 on the list with a 4-over-par 39-36-75. Lawson Little, 1940 Open champion, had a par 71; Jim Turnesa, 1952 PGA titlist, 75, and Walker Cupper Harvie Ward, 73.

Yankees Like Briggs Stadium

DETROIT (AP)—If the New York Yankees played their home games in Briggs Stadium, they'd probably never lose the pennant. Just look at what happened Monday. The Yankees crashed five home runs while overpowering the Detroit Tigers, 7-5.

It gave them 68 home runs for the season—most in the league—and stretched their first-place margin over idle Cleveland to 4½ games.

Eddie Robinson hit a pair of two-run homers and Billy Hunter, Gil McDougald and Mickey Mantle chipped in with solo shots.

Mantle, leading off in the ninth, slammed a pitch by relief hurler Bob Miller over the centerfield screen, just to the right of the 440-foot sign.

House Votes Postal Pay Raise, 407-1

WASHINGTON (U)—The House today overwhelmingly voted an average 8 per cent pay raise for the nation's 500,000 postal workers. The tally was 407-1, with Rep. Cole (R-NY) casting the lone "no" vote. The pay bill, carrying a cost tag of around 185 million dollars a year, now goes back to the Senate for expected concurrence in two minor clarifying amendments. Today's House action to all practical effect brings to an end more than a year of feuding between Congress and President Eisenhower over pay increases for the postmen. The President has twice cracked down on Congress with vetoes—the first time in the last Congress because raises were not accompanied by corresponding increases in postage rates, and last month on the ground that the boost was too much and that the bill left inequities in pay grades. Still at issue are pending increases for more than a million other government workers, and administration requests for upping postal rates on most classes of mail. This year's first postal pay bill called for raises averaging 8.6 per cent.

Senate Probers Promise to Air Chicagoo's Deals

WASHINGTON (U)—Senate investigators promised a public airing today of "some unusual happenings" involving government contracts of Chicago hat manufacturer Harry Lev. Lev, who became wealthy after coming to this country as an immigrant from the Middle East, has been named to the Senate investigations subcommittee in hearing as a bribe of government employees. One of them, Air Force Capt. Raymond Wool, has been shifted to the Wright-Patterson Air Base at Dayton, Ohio, and confined to the base after testifying he had falsified federal income tax returns. No charges have been filed against him. Wool disputed sharply suggestions from subcommittee members that he accepted bribes from Lev or others. The bribery charges were aimed at Lev by a business rival, New York manufacturer Leon M. Levy, who said he had no direct knowledge that any money changed hands. Lev himself has been called to testify, perhaps this afternoon. The subcommittee is seeking evidence of possible graft in the buying of uniforms for the armed forces. Lev has testified that Marvin Rubin, a central figure in the inquiry, told him Lev paid \$50,000 to Wool in 1933 for Wool's influence on a big contract to manufacture white sailor caps for the Navy. Wool then was a uniform procurement supervisor. Rubin was a business hustler for both Lev and Levy.

Man Jailed in 'War' On Under-Age Drinking

STILLWATER, Minn. (U)—A young man from St. Paul was sentenced to 10 days in jail Monday after Washington County authorities pledged "open war" on under age drinkers who bring beer in from Wisconsin.

The judge sentenced went to Richard Schiefelbus, 21, charged with giving intoxicating liquor to minors. One teen-ager was fined \$50 and costs for possession of intoxicating liquor. Three others pleaded innocent. Their trials were set for Monday.

The five were arrested Sunday at Square Lake near here.

LET'S EXPLORE YOUR MIND

By ALBERT EDWARD WIGGUM, D. Sc.

1. DOES A NEWBORN BABY HAVE A PERSONALITY?
YOUR OPINION

2. DO MOST CITIZENS KNOW WHETHER THEIR SCHOOLS ARE GOOD OR BAD? YES ☐ NO ☐

3. THERE IS ONE SURE WAY TO SAVE MONEY. TRUE ☐ FALSE ☐

Answer to Question No. 1
1. He has the beginnings because he has the beginning of intelligence. Intelligence grows as the brain grows—same with personality. As intelligence grows, habits of expressing thoughts and emotions grow. These habits are your personality. They make others like or dislike you. If they like you, they think you have a good personality; if not, a poor one. Our booklet, "How To Develop Your Personality," by a noted psychologist, will help. Nonprofit, 15c (coin only) and stamped, self-addressed envelope. Send to Dr. A. E. Wiggum, in care of The Winona Daily News.

Answer to Question No. 2
2. No. Most don't care. A survey shows in one city textbooks were so scarce that pupils had to double up to use them. Teachers had

to carry water in pails to their classrooms. In another city, some teachers had to tend bar evenings to support their families; 22 buildings had leaky roofs, and in 18 the plaster fell on the children during school hours. Learn how to improve your schools. Write to the National Citizens Commission for Public Schools, 2 W. 45th St., New York City.

Answer to Question No. 3
3. True. Executive Glenn Gardner says always ask: What does it cost? Why does it cost so much? Would it cost less to buy "something just as good"? Will it cause future costs? Is it worth the cost? Ask these questions about everything you purchase either for personal or business use, he says, and "you can't help saving money." It's amazing what you save by "shopping around."

BEDTIME STORIES

By HOWARD GARIS

At first, when Uncle Wiggly heard that growling voice, which I told you about at the end of yesterday's story, the rabbit gentleman said out loud to himself:

"That must have been an echo—an echo like when your voice comes back to you after you have finished using it. Yes, that must have been an echo. But it was a very strange echo. I must try it again."

So, standing on top of a stump, to make his voice go as far as it could, the rabbit gentleman exclaimed:

"I am going to make the biggest hop of my life!"

Almost at once he heard a growling voice say:

"I am going to make the biggest hop of my life."

"Ha! Ha! Ha!" laughed the rabbit uncle. "What a jolly echo!"

But this time he did not hear his own "Ha! Ha! Ha!" words coming back to him, as it always should happen when there is an echo. Instead, the growling voice said:

"Do you want to have a hopping race?"

"A hopping race?" asked Mr.

Longears. "This is the most mysterious echo I ever heard. It doesn't toss my own words back to me. It says different words. What a mysterious echo!"

"This is no echo!" growled the mysterious voice. "This is me speaking to you. I asked if you want to have a hopping race since you think you are feeling so fine. Do you want to have a hopping race?"

"If you are not an echo, who are you?" asked the rabbit.

There was a rustling in the bushes and a voice growled:

"Take a look!"

Uncle Wiggly took a look. Then, as looks didn't cost him anything he took a second look and also a third look. As his first look, Mr. Longears saw the Fox.

Uncle Wiggly rubbed his eyes to make sure he wasn't asleep and then he took a second look.

Again he saw the Fox.

"I had better be sure about this," whispered the rabbit to himself. "I will take another look."

Again Mr. Longears rubbed his eyes to make sure that he was

not asleep and dreaming and he took his third look. Once more he saw the Fox.

"Well," growled the Bad Chap, "I'm sure you will know me the next time you see me."

"Yes, I am sure I shall," answered the rabbit gentleman. "You are Mr. Fox, aren't you?" he asked, politely. For Uncle Wiggly believed in being polite to everyone, good or bad. "Being good doesn't cost anything," the rabbit gentleman often said to himself, "yet by being good you may buy many things." So he said again, politely. "You are Mr. Fox, aren't you?"

"Yes, I am!" was the growling answer. "Now do you know me?"

"Oh, yes, I am sure I know you all right," said Uncle Wiggly out loud. But to himself the rabbit gentleman whispered: "If you ask me it is all wrong instead of being all right. I will very much wish I didn't know and had not seen this Mr. Fox. But, as long as I have, and as long as he is here, I must make the best of it."

That was Uncle Wiggly's way; making the best of everything.

"Well," growled the Fox. "Since you are sure you will know me the next time you meet me, how about it?"

"How about what?" asked the rabbit.

"How about having a hopping race?" growled the Fox. "I have you say you were the best jumper in the world."

"Oh, I don't believe I took in that much territory," said the rabbit modestly. "I may have said I am a good hopper and jumper. I think I said I believed I could hop further today than at any time in my life."

"Do you still think so?" growled the Fox.

"Yes, I do," answered the rabbit gentleman.

"Then what about a hopping race?" suggested the Fox. "We shall see who is the best and farthest hopper. But before we hop

THE GRAB BAG

THE ANSWER, QUICK!

1. What type of musical instrument is known as the "crowd"?
2. Do bananas ripened on the tree taste better than those we buy?
3. Who was originator of the white stripe that divides traffic on highways?
4. In logic what is argumentum ad hominem?
5. Who played the male leads in the old motion pictures, "Lloyds of London" and "Camille"?

HOW'D YOU MAKE OUT?

1. An ancient stringed instrument with a square body and two parallel arms; played with a bow.
2. No, tree-ripened bananas are insipid. Even in the tropics they are cut green and stored until ripe.
3. The late Edward N. Hines of Detroit in 1911. However, a section of a highway in Mexico constructed 350 years ago has a built-in white stripe, apparently to avoid disputes over possession of the road.
4. Argument addressed to the man, i.e., that takes advantage of an opponent's character or situation to make a point.
5. Tyrone Power in "Lloyds of London"; Robert Taylor in "Camille."
